

WORKBOOK

This new edition of *Integrated Chinese* is an outstanding achievement. Complete with interesting cultural notes, useful authentic materials, and a wealth of interactive exercises, the authors have outdone themselves AGAIN!

—Dr. Zhi-Ho Phoukwa City College

As a lecturer in languages (Italian and French) for over 20 years, I would like to compliment you on one of the very best sets of materials I have ever used.

—Dr. Massimo, Dong Chong University of Hong Kong

FEATURES

Throughout the workbook, exercises are labeled according to the three modes of communication as explained in ACTFL's "Standards for Foreign Language Learning in the 21st Century"

Authentic materials in each lesson—signs, forms, posters, menus, and more—build students' skills in interpreting the Chinese language in its native environment

Lively illustrations encourage students to answer questions directly in Chinese, without translating from English

Open-ended exercises engage students in the subject matter and ask them to relate the Chinese language to their own lives

A cumulative review unit after every five lessons serves as a periodic progress check

Chang & Niu's best-selling Chinese textbook series is new, revised, and better than ever! The first edition of the integrated Chinese workbook has been updated to meet the needs of today's students with a new layout, new literary design, updated vocabulary, more communicative tasks and even more exercises, and more authentic materials throughout.

The workbook provides graduated cultural practice for the four skills of listening, speaking, reading, and writing. The main text teaching features, each lesson is divided into four parts corresponding to the four sections of the lesson in the textbook. Recordings for listening exercises are available on the Integrated Chinese audio CDs.

The third edition workbook includes many topical and authentic materials that stimulate study life with topics and themes that are relevant and personal to each student. Revised and new materials reflect the language used to lead life and build with students need to communicate in today's rapidly changing world.

The Integrated Chinese series is a total course system that includes textbooks, workbooks, character workbooks, audio CDs, audio tracks resources, and teacher resources. Student materials are available in both simplified and traditional character versions with an emphasis on practicing a broad range of written and oral communication skills and building cultural understanding. Integrated Chinese is ideally suited for students who want a comprehensive grounding in the Chinese language.
