Integrated Marketing Communications in Risk and Crisis Contexts Robert S. Littlefield, Deanna D. Sellnow, Timothy L. Sellnow, 2021-03-09 Integrated Marketing Communications in Risk and Crisis Contexts is part of the Lexington Books Integrated Marketing Communication IMC series The authors present a culture centered model for examining risk and crisis communication within the context of IMC to provide a more robust understanding of myriad cultural variables affecting the perception of risk and crisis messages and the means by which these messages are processed by different publics particularly multicultural and international groups While the conceptualization of what constitutes IMC has been broad from the perspective of risk and crisis communication the focus is quite specific All communication and messages created and disseminated in a risk or crisis situation must be carefully created and strategically presented if the intended outcomes associated with the public's responses are to be realized by the sender of the messages

Social Media and Integrated Marketing Communication Jeanne M. Persuit, 2013-07-18 Social Media and Integrated Marketing Communication A Rhetorical Approach explores social media in the areas of corporate identity brand narratives and crisis response from a rhetorical perspective Key ideas in this text are social media as epideictic rhetoric the rhetorical setting that deals with the present and matters of virtue and education and how rhetorical decorum a component of Cicero's third Canon of Style can guide organizations and their audiences toward more ethical and effective integrated marketing communication IMC This strategy emphasizes changing behavior not just attitudes Because social media leaves traces of communication that may be with us for the foreseeable future Social Media and Integrated Marketing Communication frames the conversation about social media and IMC to move away from a risk reward or a return on investment orientation and toward a focus on social media as communicative action that is attentive to this historical moment to organizations and their audiences and to communication ethics Through this Persuit asks how organizations can engage in decorum in their online IMC efforts while at the same time considering how their audiences can engage in decorum as well Neither romanticizing nor demonizing the areas of social media and IMC instead this text offers a pragmatic understanding

of these areas that finds a place in the theory of the communication discipline
