Fundamentals of Computer Networks Matthew N. O. Sadiku, Cajetan M. Akujuobi, 2022-08-29 This textbook presents computer networks to electrical and computer engineering students in a manner that is clearer more interesting and easier to understand than other texts All principles are presented in a lucid logical step by step manner As much as possible the authors avoid wordiness and giving too much detail that could hide concepts and impede overall understanding of the material Ten review questions in the form of multiple choice objective items are provided at the end of each chapter with answers The review questions are intended to cover the little tricks which the examples and end of chapter problems may not cover They serve as a self test device and help students determine how well they have mastered the chapter **OSPF and IS-IS** Rui Valadas, 2019-01-15 This book describes and compares both the IPv4 and IPv6 versions of OSPF and IS IS It explains OSPF and IS IS by grounding the analysis on the principles of Link State Routing LSR It deliberately separates principles from technologies Understanding the principles behind the technologies makes the learning process easier and more solid Moreover it helps uncovering the dissimilarities and commonalities of OSPF and IS IS and exposing their stronger and weaker features The chapters on principles explain the features of LSR protocols and discuss the alternative design options independently of technologies The chapters on technologies provide a comprehensive description of OSPF and IS IS with enough detail for professionals that need to work with these technologies The final part of the book describes and discusses a large set of experiments with Cisco routers designed to illustrate the various features of OSPF and IS IS In particular the experiments related to the synchronization mechanisms are not usually found in the literature The Essentials of Computer Organization and Architecture Linda Null, Julia Lobur, 2006 Computer Architecture Software Engineering **Raspberry Pi** (Arduino Raspberry Pi Arduino Raspberry Pi Raspberry Pi Raspberry Pi Hardware Software Network Multimedia Raspberry Pi Raspberry Pi 3 2 GOTOP Information Inc
