The Film Photography Book Shawn M. Tomlinson, 2016-07-24 Film is back And about time too We just were getting a little too comfortable with the idea of snapping selfies on our dumb phones at the ends of vanity sticks when film returned to slap us up Film is not for the faint of heart It takes serious effort serious time It costs money for each frame from buying the film to paying to develop it or developing it in a film tank Only those interested in the unique and fantastic look of film will brave this path The Film Photography Book is for us those interested in all aspects of film photography from choosing cameras and lenses to choosing film and subjects to buying chemicals and processing The book can serve as a refresher to those who now are returning to film photography after a long absence and as a getting started course for those who never shot film in their lives It s an adventure a new Voyage of Photography part of Shawn M Tomlinson s Guide to Photography Series the beginning of a sub series about film photography Come on along **Canon AE-1 Program** Larry Lyells, 1983
