Never Coming to a Theater Near You Kenneth Turan, 2005-11-01 It is in the nature of today's movie business that while Hollywood blockbusters invade every megaplex smaller quality films often don't get screen time Fans of finer films have to count on catching up with them on video and DVD but even the most hard core devotees have trouble remembering what sounded good when a film was originally released *Never Coming to a Theater Near You* will remedy that situation This selection of renowned film critic Kenneth Turan's absorbing and illuminating reviews now revised and updated to factor in the tests of time point viewers toward the films they can't quite remember but should not miss Moviegoers know they can trust Turan's impeccable taste His eclectic selection represents the kind of sophisticated adult and entertaining films intelligent viewers are hungry for More importantly Turan shows readers what makes these unusual films so great revealing how talented filmmakers and actors have managed to create the wonderful highs we experience in front of the silver screen

The Things Gods Break Abigail Owen, 2025-10-21 The gods want her dead Hades will bury them You'd think I'd have learned by now Don't mouth off to deities Don't fall for the King of the Underworld And definitely don't get dragged into a divine death match where I'm the cursed mortal prize But here I am trapped in Tartarus humanity's worst pit stop squaring off against monsters who make the gods look merciful Titans twisted by centuries of rage and ruin are sealed behind seven ancient locks And guess what I'm the key To escape I'll have to survive every horrifying trial they throw at me To win I might have to become something the gods never saw coming Oh and Hades He's about to break every rule the gods ever wrote Because to save me the god of death will burn the world But if I break free So do the Titans And the world won't just suffer it'll beg for the end

THE COMPLETE WORKS OF PLATO Plato, 2017-10-06 Musaicum Books presents to you this carefully created collection of Plato's complete works This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices Table of contents Early works Apology Crito Charmides Euthyphro First Alcibiades Greater Hippias Lesser Hippias Ion Laches Lysis Middle works Cratylus Euthydemus Gorgias Menexenus Meno Phaedo Protagoras Symposium Republic Phaedrus Parmenides Theaetetus Late works Timaeus Critias Sophist Statesman Philebus Laws Pseudonymous works traditionally attributed to Plato but considered by virtually all modern authorities not to have been written by him Epinomis Second Alcibiades Hipparchus Rival Lovers Theages Cleitophon Minos Demodocus Axiochus On Justice On Virtue Sisyphus Eryxias Halcyon Letters The authorship of these works is disputed by some authorities There are also a number of essays relating to various aspects of Plato's works Plato 428-427 BC 348-347 BC was a

philosopher in Classical Greece He was also a mathematician student of Socrates writer of philosophical dialogues and founder of the Academy in Athens the first institution of higher learning in the Western world Along with his mentor Socrates and his student Aristotle Plato helped to lay the foundations of Western philosophy and science **Statesman**

Plato, 2021-01-01 Statesman by Plato Plato's Ideal Ruler A Philosophical Treatise on Leadership is a profound exploration of governance wisdom and leadership Through a rich Socratic dialogue Plato examines the essential traits of a true statesman and the nature of political authority This thought provoking work goes beyond mere political theory delving into the philosophical underpinnings of justice order and the balance between power and responsibility Engaging and intellectually stimulating remains a cornerstone of political philosophy offering timeless insights into the challenges of ruling justly In this dialogue Plato differentiates between a mere politician and a true statesman arguing that ruling is an art that requires wisdom and virtue rather than sheer power He introduces the concept of the ideal ruler who governs not through laws alone but through deep understanding and philosophical insight The text also explores the dangers of tyranny and democracy's flaws urging readers to contemplate what makes an effective and just government The meticulous discourse continues to inspire scholars leaders and students of philosophy offering a rich analysis of governance that transcends time and place A masterpiece of political thought Plato's is an essential read for anyone interested in leadership and governance His exploration of wisdom and the role of a ruler is both timeless and intellectually enriching A must read for those who wish to understand the deeper aspects of political philosophy Plato's dialogue remains as relevant today as it was in ancient Greece His insights into the nature of leadership and governance challenge conventional wisdom and provoke deep reflection A brilliant and engaging work that deserves careful study A fascinating discourse on the philosophy of leadership While some sections require patience due to their depth the overall message is powerful and relevant The distinction between a mere politician and a true statesman is especially thought provoking An insightful read with profound ideas about governance and leadership Plato's arguments are compelling though at times the text can be dense Still this is a valuable read for anyone interested in political philosophy While presents deep philosophical ideas some parts feel overly complex and abstract It is a rewarding read for those willing to engage with its intricacies but it may not be for everyone Nevertheless Plato's ideas on leadership remain significant The Statesman Plato, 2021-10-20 The Statesman Plato Plato's Statesman A Philosophical

Discussion is the second volume in the Plato Dialogue Project series Like the volume before it Plato's Philebus A Philosophical Discussion it offers a comprehensive philosophical analysis of the entire dialogue it treats The present volume divides the Statesman into argumentatively self contained sections each one of which is scrutinized thoroughly This style of treatment proves particularly useful for the Statesman an acutely perplexing dialogue that deals with many and seemingly unconnected themes such as leadership of a state and the best form of constitution politeia philosophical methodology and epistemology the doctrine of due measure to metron the dialectical practice of collection and division and ancillary

investigative methods such as the use of myth and models paradeigmata The present volume discusses all issues the dialogue raises while abstaining from making an overarching claim on the dialogue as a whole other than the one implied by the notion that all its parts are interrelated equally important philosophically and together constitute a unified whole The aim is to bring to the forefront each one of the dialogue s many themes and devote to it the attention that will permit it to stake its claim to be part of a unified philosophical work In this respect the present volume challenges the readers to come to their own view on how the dialogue hangs together as a whole but only after having gone through a comprehensive philosophical discussion of and reflection on its constitutive parts The Chautauquan ,1885 From Quest to Q James McConkey Robinson,2000 On June 30th 1999 James M Robinson formally retired from his position as Arthur Letts Jr Professor of Religion at Claremont Graduate University At this juncture in his life Peeters Publishers is proud to be the publisher of a festschrift From Quest to Q dedicated to Robinson and his monumental contributions to the field of Q studies or the Sayings Gospel Q The Festschrift is divided into four sections following an introduction written by Asgeirsson The first section of the Festschrift entitled From Source to Document opens with a tribute to the jubilee whose very work within the International Q Project has indeed transformed the hypothetical source into a document using a papyrological model It is followed by two essays one on the genre of the document Q and the other on the impact of Old Testament citations or allusions in Q or more specifically the Temptation Story in Q The second section on Founder and Fashion visits in three essays the questions of the character of Jesus Whom may he be likened to what factors in the social environment of the followers of Jesus colored his manners and view of life In a third section Topos and Topics four essays deal with diverse theological motifs in Q From the breaking up of traditional family relationships to the question of the poor this section also includes the motif of Son of man and the geographical topos Nazara The last section Q in Redaction deals with several aspects of the redaction of Q in the Gospels of Matthew and Luke Finally in this section two essays deal with parallel motifs in Q the Gospel of Thomas the Synoptic Gospels as well as the Gospel of John The contributors from Europe and the United States have all worked within the field of Q Studies and together comprise some of the most prominent names among junior and senior scholars in the field
