**Frankenstein Illustrated** Mary Shelley,2017-11-06 This illustrated edition of Frankenstein tells the original classic tale with 10 unique new illustrations In a series of letters Robert Walton the captain of a ship bound for the North Pole recounts to his sister back in England the progress of his dangerous mission Successful early on the mission is soon interrupted by

seas full of impassable ice Trapped Walton encounters Victor Frankenstein who has been traveling by dog drawn sledge across the ice and is weakened by the cold Walton takes him aboard ship helps nurse him back to health and hears the fantastic tale of the monster that Frankenstein created This is the original classic tale written by Shelley and this edition includes 10 brand new illustrations by illustrator Matthew Corrigan **Frankenstein Illustrated Edition** Mary Shelley,2022-02-20 Frankenstein or The Modern Prometheus is an 1818 novel written by English author Mary Shelley Frankenstein tells the story of Victor Frankenstein a young scientist who creates a sapient creature in an unorthodox scientific experiment **Frankenstein / Mary Shelley / Illustrated** Mary Mary Shelley,2021-03-12 The best book ever written A masterpiece A classics Illustrated *Frankenstein (Illustrated and Annotated)* Mary Shelley,2017-11-24 This is an annotated and illustrated version of the book1 contains an updated biography of the author at the end of the book for a better understanding of the text 2 It also contains new and unique illustrations to give a better documentation and realism to the book3 This book has been checked and corrected for spelling errorsSt Petersburg Dec 11th 17 TO Mrs Saville EnglandYou will rejoice to hear that no disaster has accompanied thecommencement of an enterprise which you have regarded with such evilforebodings I arrived here yesterday and my first task is to assuremy dear sister of my welfare and increasing confidence in the successof my undertaking I am already far north of London and as I walk in the streets ofPetersburgh I feel a cold northern breeze play upon my cheeks whichbraces my nerves and fills me with delight Do you understand thisfeeling This breeze which has travelled from the regions towardswhich I am advancing gives me a foretaste of those icy climes Inspired by this wind of promise my daydreams become more ferventand vivid I try in vain to be persuaded that the pole is the seat of frost and desolation it ever presents itself to my imagination as theregion of beauty and delight There Margaret the sun is forevervisible its broad disk just skirting the horizon and diffusing aperpetual splendour There for with your leave my sister I will putsome trust in preceding navigators there snow and frost are banished and sailing over a calm sea we may be wafted to a land surpassing inwonders and in beauty every region hitherto discovered on the habitableglobe Its productions and features may be without example as thephenomena of the heavenly bodies undoubtedly are in those undiscoveredsolitudes What may not be expected in a country of eternal light I may there discover the wondrous power which attracts the needle and mayregulate a thousand celestial observations that require only thisvoyage to render their seeming eccentricities consistent forever I shall satiate my ardent curiosity with the sight of a part of the worldnever before visited and may tread a land never before imprinted bythe foot of man These are my enticements and they are sufficient toconquer all fear of danger or death and to induce me to commence thislaborious voyage with the joy a child feels when he embarks in a littleboat with his holiday mates on an expedition of discovery up hisnative river But supposing all these conjectures to be false youcannot contest the inestimable benefit which I shall confer on allmankind to the last generation by discovering a passage near the poleto those countries to reach which at present so many months arerequisite or by ascertaining the secret of the magnet

which if at all possible can only be effected by an undertaking such as mine These reflections have dispelled the agitation with which I began my letter and I feel my heart glow with an enthusiasm which elevates me to heaven for nothing contributes so much to tranquillize the mind as a steady purpose a point on which the soul may fix its intellectual eye This expedition has been the favourite dream of my early years I have read with ardour the accounts of the various voyages which have been made in the prospect of arriving at the North Pacific Ocean through the seas which surround the pole You may remember that a history of all the voyages made for purposes of discovery composed the whole of our good Uncle Thomas library My education was neglected yet I was passionately fond of reading These volumes were my study day and night and my familiarity with them increased that regret which I had felt as a child on learning that my father's dying injunction had forbidden my uncle to allow me to embark in a seafaring life

### **She Made a Monster: How Mary Shelley Created**

**Frankenstein** Lynn Fulton, 2018-09-18 A 2018 New York Times New York Public Library Best Illustrated Children's Books

On the bicentennial of Frankenstein join Mary Shelley on the night she created the most frightening monster the world has ever seen On a stormy night two hundred years ago a young woman sat in a dark house and dreamed of her life as a writer She longed to follow the path her own mother Mary Wollstonecraft had started down but young Mary Shelley had yet to be inspired As the night wore on Mary grew more anxious The next day was the deadline that her friend the poet Lord Byron had set for writing the best ghost story After much talk of science and the secrets of life Mary had gone to bed exhausted and frustrated that nothing she could think of was scary enough But as she drifted off to sleep she dreamed of a man that was not a man He was a monster This fascinating story gives readers insight into the tale behind one of the world's most celebrated novels and the creation of an indelible figure that is recognizable to readers of all ages Eye catching artwork and engaging storytelling give this biography of a fascinating woman even more appeal Booklist
