*Standard Cosmetology 2008*: Milady, 2007-12-26 Milady's Standard Textbook of Cosmetology has led the way in cosmetology education for 80 years by changing to meet the evolving needs of students and the market. Having been developed after extensive analysis by educational design experts, this textbook exhibits the most sophisticated methods for relaying information stimulating thought, aiding comprehension, and enhancing retention. Milady's Standard Cosmetology provides students with the information they will need to pass the licensure exams as well as the most contemporary techniques to ensure success once they are on the job. This revision features a fresh new layout, reorganized chapters, and new photography and illustrations to provide an open, easy-to-follow format that students need with the reliability that is the hallmark of Milady. This edition of Milady's Standard Cosmetology is organized into six parts containing 32 chapters each, written by an industry expert in the field, creating an immediate connection to the professional world. New information on many subjects, including sanitation and infection control and haircoloring, has been included. The result is the most reliable cosmetology textbook available, one that covers all essential information in a contemporary, easy-to-use manner. While Milady's Standard Cosmetology is the center of the curriculum, students and educators have a wide range of supplements from which to choose. All supplements have been revised and updated to complement the new edition of the textbook. This book will serve as a valuable guide, and students will refer to it again and again throughout their career.
