Wolfgang Amadeus Mozart 1756-1791

Wolfgang Amadeus Mozart was born in 1756 in Salzburg, Austria. When he was 3 years old, he began watching his dad teach piano to his big sister. He started to ~~compose~~ compose music when he was only 5 years old. He learned how to play piano and violin. When he was 6 years old, he began performing for other people as a child prodigy.

He and his dad and sister would travel all around Europe meeting other musicians and performing. He was only 10 years old! Mozart enjoyed listening to other people play music just as much as he liked writing and playing music himself.

Mozart understood music very quickly and very well. One time, when he was a teenager, he listened to someone play a really long and pretty song, just once, and he was able to write it down for memory. He was able to remember each and every note.

Mozart wrote many pieces of music. He wrote 50 symphonies, 25 piano concertos, 12 violin concertos, 27 vocal songs, 26 string quartets, 21 operas, and many more!

Some of his most famous pieces of music were Variations of "Twinkle, Twinkle Little Star", Eine Kleine Nachtmusik, The Magic Flute and The Marriage of Figaro. He is one of the greatest composers of all time.

Mozart became very famous for his music, but was not a good steward of his money. He spent more money than he had and was poor when he died. He died when he was only 35 years old.
