You are to write a current event paper, approximately 1000 words in length, consisting of a summary and analysis of a current policy issue having to do with American government and/or politics. You must **cite** a minimum of five references (sources) in the paper and include a **works cited page** at the end of the assignment to provide full bibliographic information for each of the references that was cited in the text of the paper.

The information provided in the summary will lay the foundation for you to react and respond to (analyze) the political issue. **Be sure to properly cite within the text (according to MLA style) any information that you obtained from one of your sources. Citations must be provided, even for paraphrased information.**
- Present your perspective on the political issue. Think critically about the topic discussed in the articles and clearly express your thoughts about it in writing. Consider eight standards for critical thinking (Paul and Elder, 2103): clarity, accuracy, precision,
