December 2019

Page 1 of 10

These marking guidelines are prepared for use by trademark and trade dress owners, all of whom are required to attend a trademark/trade dress marking training to ensure that the guidelines are consistently interpreted and applied in the marking of "confidential" marks.

The EIB will not author any attorneys or correspondence about any marking guidelines. It is acknowledged that there may be different views about some matters of emphasis or detail in the guidelines. It is also recognized that, without the benefit of attendance at a trademark/trade dress marking training, there may be different interpretations of the application of the marking guidelines.
