When Technology

Fails Matthew Stein, 2008-08-18 There's never been a better time to be prepared. This book is an indispensable basic manual for the real life issues that await us in the decades to come. A treasure trove of practical wisdom. James Howard Kunstler, author of *The Geography of Nowhere*. Matthew Stein's comprehensive primer on sustainable living skills from food and water to shelter and energy to first aid and crisis management skills prepares you to embark on the path toward sustainability. But unlike any other book, Stein not only shows you how to live green in seemingly stable times but to live in the face of potential disasters lasting days or years coming in the form of social upheaval, economic meltdown, or environmental catastrophe. When *Technology Fails* covers the gamut. Inside you'll learn: The basics of installing a renewable energy system for your home or business. How to find and sterilize water in the face of utility failure. How to keep warm if you've been left temporarily homeless. Practical information for dealing with water quality issues. Alternative health and first aid techniques. Each chapter describes skills for self-reliance in good times and bad. Chapters include: A survey of the risks to the status quo. Supplies and preparation for short and long term emergencies. Emergency measures for survival. Prepping water, food, shelter, and clothing. First aid, low tech medicine and healing. Securing energy, heat, and power. Metalworking. Utensils and storage. Low tech chemistry, engineering, machines, and materials. Fully revised and expanded. When *Technology Fails* ends on a positive, proactive note with a chapter on *Making the Shift to Sustainability* which offers practical suggestions for changing our world on personal, community, and global levels. When *Technology Fails* is a massive project done well. First, the book gives a superb presentation of WHY one should be more aware and prepared, and then HOW one should go about this. The scope of this book is thorough. John McPherson, author *Primitive Wilderness Living and Survival Skills* *Raw Survival* Lisa Montgomery, 2013-11-05 *Raw Survival* presents an approach that embraces sustainable living as a solution to meet our daily needs even if the worst case scenario never unfolds. By living in the spirit of community and in balance with the natural cycles, one can live more fully and enjoy a more enriching, healthy lifestyle. From celebrity raw food chef and educator Lisa Montgomery, *Raw Survival* presents Lisa's philosophy and documents important skills and knowledge needed to answer the eternal question: What if? What if you lose power? What if you are unable to get food? What if the technology and systems we rely on fail? *Raw Survival* is an invaluable reference featuring a wealth of important sustainability tips and simple raw food recipes specially geared towards living on or off the grid as a vegetarian or raw foodist. Filled with recipes and tips for off the grid living, *Raw Survival* includes everything you need to know to make your raw food diet part of a fully sustainable lifestyle. *Raw Survival* is the green living guide with raw food flair. EASY TO USE AND ACCESSIBLE TO EVERYONE. With over 80 simple, delicious recipes, *Raw Survival* is not just for raw foodists or vegetarians but is suitable for anyone who wants to prepare nutritious dishes using minimal equipment and processing. TIMELY AND INFORMATIVE. In response to the myriad of natural disasters and our increasingly hectic lifestyles, this book offers simple solutions to implementing a raw food diet in tandem with a sustainable emergency response plan. INVALUABLE SURVIVAL GUIDE. The book features important skills to

grow gather prepare and store your own food as well as promote energy independence Knowledge and simplicity are behind the philosophy that informs Raw Survival This book contains over 80 healthy recipes that can be created without exotic ingredients and extensive preparation Also included are helpful tips ideas and guidelines for surviving unexpected catastrophes or simply navigating a hectic lifestyle Raw Survival also provides information to guide you towards energy independence if living off the grid is your ultimate dream Raw Survival belongs in every home Y2K For Women Karen Anderson,1999-05-20 This book explains the year 2000 problem in non technical terms from a woman s perspective with an emphasis on preparing your home for a possible disruption in everyday life It not only explains the Y2K problem but it also explains in detail why you should be prepared for any emergency natural or man made Y2K It provides answers to common questions in a Dear Abby like style with a focus on the special needs and concerns of women
