Modern Solutions Ltd

26th Baker street, NY 54032

To Whom It May Concern:

I am delighted to recommend Mr. Jason Smith for the position of Accounts Manager with your organisation. Jason Smith has been working with Modern Solution Ltd as a Sr. Accountant, where I am the Finance Manager, for seven years. During his time with us, He consistently impressed us with his tax saving skills, and out of the box solutions. He was a reliable resource who never failed to surprise us with his creativity and out-of-the-box thinking abilities.

Jason was a valuable member of the team. He was always up for a challenge and was always willing to push himself. Furthermore, Jason is highly motivated and eager to learn.

Jason has played an important role in the streamlining the book keeping process for the company. He is relocating due to family obligations, and we will no longer have the privilege of having him with us.

I recommend Jason with full confidence. I am sure that his exceptional accounting skills will be able to justify his candidacy. Please let me know if you need additional information about him.

A Manager's Guide to Employment Law Dana M. Muir, 2003-06-03 Managers at all levels are constantly challenged to do more with fewer employees to motivate diverse groups of people and to face up to tough people problems in their workforces. An important key to managers' success is accomplishing these goals while protecting themselves and their companies from legal liability. Yet some in management tend to blame legal requirements for hindering progress toward solving problems. U.S. law however provides managers with broad discretion in many employment situations and in most cases helps ensure that managers perform their essential functions in a way that is fundamentally fair while still supporting company goals. *A Manager's Guide to Employment Law* will help managers make day to day decisions on how best to manage their employees and handle issues of legal liability. Expert author Dana Muir identifies the subtle and unnecessary mistakes managers make that cause legal headaches and shows how becoming familiar with basic principles of employment law will enable them to develop an internal compass to help make the right decisions. Each chapter focuses on legal concepts of broad application in today's workplace providing real examples of problems managers face and offering strategies for addressing those problems.
