Collection Jennifer Lynn Barnes, 2021-04-20 Don t miss a page of the thrilling Naturals series by New York Times bestselling author Jennifer Lynn Barnes this collection of four books includes a bonus e novella In The Naturals seventeen year old Cassie is a natural at reading people Piecing together the tiniest details she can tell you who you are and what you want But it s not a skill that she s ever taken seriously That is until the FBI come knocking they ve begun a classified program that uses exceptional teenagers to crack infamous cold cases and they need Cassie But what Cassie doesn t realize is that there s more at risk than a few unsolved homicides especially when she s sent to live with a group of teens whose gifts are as unusual as her own Soon it becomes clear that no one in the Naturals program is what they seem And when a new killer strikes danger looms close Caught in a lethal game of cat and mouse with a killer the Naturals are going to have to use all of their gifts just to survive In Killer Instinct Cassie hopes she and the rest of her team can stick to solving cold cases from a distance after barely escaping a confrontation with an unbalanced killer obsessed with her mother s murder But when victims of a brutal new serial killer start turning up the Naturals are pulled into an active case that strikes too close to home the killer is a perfect copycat of Dean s incarcerated father a man he d do anything to forget Forced deeper into a murderer s psyche than ever before will the Naturals be able to outsmart the enigmatic killer s brutal mind games before this copycat twists them into his web for good In All In Cassie and the Naturals are called in to investigate a string of brutal murders in Las Vegas But even with the team s unique profiling talents these murders seem baffling unlike many serial killers this one uses different methods every time All of the victims were killed in public yet the killer does not show up on any security feed And each victim has a string of numbers tattooed on their wrist Hidden in the numbers is a code and the closer the Naturals come to unraveling the mystery the more perilous the case becomes In Bad Blood Cassie is reeling with the truth about her mother s murder Everything Cassie thought she knew about what happened that night her mother was killed been called into question Her mother is alive and the people holding her captive are more powerful and dangerous than anything the Naturals have faced so far As Cassie and the team work to uncover the secrets of a group that has been killing in secret for generations they find themselves racing a ticking clock And when the bodies begin piling up it soon becomes apparent that this time the Naturals aren t just hunting serial killers They re being hunted In the novella Twelve Cassie is now twenty three

years old and she and her fellow Naturals have taken over running the program that taught them everything they know As a unit they re responsible for identifying new Naturals and solving particularly impossible cases When their latest case brings back a ghost from their past Cassie and the other Naturals find themselves racing against the clock and reliving their own childhood traumas In a small coastal town in Maine there has been a rash of teen suicides or at least that s what the police believe Enter the Naturals Crime, Media, and Reality Venessa Garcia,Samantha G. Arkerson,2017-12-08 In today s society the public perception of crime has been skewed by how the media depicts it People use the media for enjoyment companionship surveillance and interpretation The problem is that it becomes hard to separate fact from entertainment This raises several questions How are we consuming media Are we consuming reality within the news And are we consuming harmless pleasure from entertainment media In Crime Media and Reality Examining Mixed Messages about Crime and Justice in Popular Media Venessa Garcia and Samantha Garcia Arkerson focus predominantly on the social constructions of crime and justice and how we absorb them They look at the influence of crime news and true crime television series that prevent the public from understanding pure entertainment from the realities of crime and justice They bring to light the social science knowledge missed by media infotainment which has blurred the line between information and entertainment Throughout all different forms of media are discussed news media crime dramas and true crime television series In doing so they keep all of its fascinating coverage while uncovering the reality of crime and justice This book adds significant information to the constructs held by the general public by placing media depictions into historical legal and social context
