Miss Mai A Love Story:

Miss Mai Lewis MacLeod, 2014-11-17 **MISS MAI** by Lewis MacLeod Miss Mai is a romantic memoir set in the final years of the Vietnam War The narrator's progress as a naive draftee through the rigors of military training as an intelligence analyst inexorably lead him to the exotic streets of wartime Saigon He meets Tuoi Mai under accidental circumstances and his life is altered forever after **A Pho Love Story** Loan Le, 2021-02-09 Will leave readers swooning PopSugar When Dimple Met Rishi meets Ugly Delicious in this funny smart romantic comedy in which two Vietnamese American teens fall in love and must navigate their newfound relationship amid their families age old feud about their competing neighboring restaurants If Bao Nguyen had to describe himself he'd say he was a rock Steady and strong but not particularly interesting His grades are average his social status unremarkable He works at his parents pho restaurant and even there he is his parents fifth favorite employee Not ideal If Linh Mai had to describe herself she'd say she was a firecracker Stable when unlit but full of potential for joy and fire She loves art and dreams pursuing a career in it The only problem Her parents rely on her in ways they're not willing to admit including working practically full time at her family's pho restaurant For years the Mais and the Nguyens have been at odds having owned competing neighboring pho restaurants Bao and Linh who've avoided each other for most of their lives both suspect that the feud stems from feelings much deeper than friendly competition But then a chance encounter brings Linh and Bao in the same vicinity despite their best efforts and sparks fly leading them both to wonder what took so long for them to connect But then of course they immediately remember Can Linh and Bao find love in the midst of feuding families and complicated histories **The hidden identity of the master of elixirs** Oliver Cooper, 2010-12-06 I have always wanted to write a complete set of teaching materials about the killing game because every time some of my companions are new or have no sense of cooperation so many situations that have already been formed and can be called classics are aborted This is also the most depressing thing for me Therefore I summarized all my experience with the killing game and made this teaching material hoping that every player can benefit from it **The Doom Pussy** Elaine Shepard, 1967 **New York Amusement Gazette**, 1889 **Understanding Canton** Virgil Ho, 2005-12-22 By studying six different aspects of culture in Canton in the period between the two World Wars this book helps broaden our limited knowledge of the social and cultural lives of the common people in this largest city of South China The author examines how the Cantonese in this period indulged in their imagined cultural superiority as modern citizens ushering in a cult of the modern city During this period Cantonese opera was also emerging and evolving into a widely accepted form of commercialised mass entertainment The process of social and cultural change and its impact on the development of this city and its people are revealed throughout the book This book also aims to redress some major misconceptions of the socio cultural realities as seen in official rhetoric or academic discourse on the matters of patriotism and anti foreignism gambling prostitution and opium consumption Contemporary non official and folk materials reveal that the common people were much

more pro Western than xenophobic in attitude and the alleged social and political calamities of gambling opium consumption and prostitution were more rhetorical than real Understanding Canton provides us with not only a fuller and more comprehensive picture of city life and popular mentalities but also an important clue to understand how and why the social history of this city was distorted and constructed in ways that suited the political ideology and nation building agenda of the ruling regimes
