

# Grade 8 FCAT Reading Sample Questions

The intent of these sample test materials is to orient teachers and students to the types of questions on FCAT tests. By using these materials, students will become familiar with the types of items and response formats that they will see on the actual test. The sample test materials are not intended to demonstrate the length of the actual test, nor should student responses be used as an indicator of student performance on the actual test. Additional information about test items can be found in the *FCAT Test Item Specifications* at <http://fcat.fl DOE.org/fcatis01.asp> and previously released FCAT tests at <http://fcat.fl DOE.org/fcatrelease.asp>.

When the 2010 FCAT Reading tests and associated sample test materials were developed, the State of Florida was in the process of revising the Sunshine State Standards in Reading and Language Arts. These newer standards were not yet approved for use in Florida's schools, so it was not feasible to incorporate these new standards into the 2010 FCAT Reading tests. The portion of the 2010 FCAT Reading tests that will be used to calculate student results and school grades in 2010 will be composed of items that assess mastery of the 1996 Sunshine State Standards. Because it was also not feasible to develop 2010 field test items to assess mastery of the newer standards, the 2010 FCAT Reading tests will contain field test items that assess mastery of the 2007 Sunshine State Standards. Student performance on these items will not be used to calculate student results or school grades, but data will be gathered and examined so these items can be considered for use on future tests, including those assessing the newer standards.

## Directions for Answering the Reading Sample Questions

Some of the questions in this booklet are called multiple-choice questions. Read all the answer choices under each question and decide which answer is correct. You will fill in the bubble next to the answer choice you think is correct for each multiple-choice question. Mark your answers on the Sample Answer Sheet, which begins on page 14. If you don't understand a question, just ask your teacher to explain it to you. Your teacher has the answers to the sample questions. Beginning in 2010, the sample questions will be distributed to students in print and will be available online, but the sample answers for teachers will only be available online at <http://fcat.fl DOE.org/fcatsmpl.asp>.

## FCAT Question Symbols

This symbol appears next to questions that require short written answers. Use about 5 minutes to answer each of these questions. A complete and correct answer to each of these questions is worth 2 points. A partially correct answer is worth 1 point.

This symbol appears next to questions that require longer written answers. Use about 10 to 15 minutes to answer each of these questions. A complete and correct answer to each of these questions is worth 4 points. A partially correct answer is worth 1, 2, or 3 points.
