**When Will the Heaven Begin?** Ally Breedlove, Ken Abraham, 2013-10-29 AN INSPIRATIONAL AND HEARTRENDING MEMOIR ABOUT BEN BREEDLOVE WHO SHARED HIS NEAR DEATH EXPERIENCES AND VISIONS OF HEAVEN IN HIS VIRAL VIDEOS WRITTEN BY HIS SISTER ALLY BREEDLOVE On Christmas Day 2011 Ben Breedlove s soul went to heaven But it wasn t his first time there Ben suffered from hypertrophic cardiomyopathy HCM a heart condition that posed a constant risk of sudden death His condition a thickening of the heart muscle worsened over time leaving him weak and fatigued It also led Ben to some close calls medically in particular cardiac arrest on four separate occasions during which he felt the presence of angels and experienced the perfect peace of heaven Precocious and warm Ben was close with his family and two siblings and forged deep relationships with his friends He loved to wakeboard and wake surf and he had dreams of visiting foreign countries around the world He created the YouTube channels TotalRandomness512 and BreedloveTV and co created the channel OurAdvice4You where he posted videos about everything from dating advice for

girls to more serious topics like his spirituality and heart condition Unbeknownst to his parents and family Ben created a two part video called This Is My Story in which he used flashcards to tell the world about his near death experiences and his beckoning toward heaven When he died a short while later at the tender age of eighteen his family and the rest of the world stumbled upon these videos The world responded with overwhelming acceptance of the message Ben shared Sharing his vision of heaven was Ben s gift to his family and to the world And now this is the Breedlove family s gift to us an in depth look at the life and near deaths of Ben the strength and faith of a family and ultimately the hope of heaven Do you believe in Angels or God I Do Ben Breedlove *GTO* Roger Corea,2017-03-28 Antonio Grimaldi is fraught with desperation He has only two choices steal the most valuable Ferrari ever made and spend the rest of his life in prison or have his wife and seven year old son killed by a vindictive assassin The story begins with the priceless Ferrari GTO prototype being delivered to Genoa by two valued members of Enzo Ferrari s inner circle Antonio Grimaldi and Giancarlo Bandini The GTO will be placed inside a watertight container aboard the SS Andrea Doria for shipment to Chinetti Motors a Ferrari dealership in New York City But the Italian ocean liner sinks near Nantucket in the North Atlantic in July of 1956 Three generations later Tommy Grimaldi s best friend Mike Bender decides to spend his inheritance attempting to salvage the GTO When Tommy learns that the name of the person who delivered the GTO to Genoa was also a Grimaldi he and his good friend Rebecca Ricci research Tommy s heritage Not only do they learn the shocking truth about Antonio they also uncover a deadly scheme involving Mike GTO is an amazing story about courage and the ability to turn adversity into a meaningful and productive life It is about being strong in the face of a devastating injustice and doing the right thing no matter how compelling the circumstances are to do otherwise *Automobile Heritage and Tourism* Michael V. Conlin, Lee Jolliffe,2016-12-01 Automobile heritage encompasses a complex range of artefacts and activities Beyond just historic vehicles which are the primary artefacts of this niche it also includes communities of collectors and enthusiasts private owners and public institutions as well as historic motoring environments literally thousands of museums exhibitions and car shows throughout the world and a range of paraphernalia that includes both original and replicated promotional materials equipment and parts and guide books Although automobile heritage has been the subject of some limited research *Automobile Heritage and Tourism* is unique in examining its scope and role within tourism The book looks at a vast array of topics from the experience of using and collecting old cars related destination development automobile heritage and museums to events such as vintage automobile racing promotion and social change It thereby provides a thorough review of the impacts of automobile heritage on tourism A number of theories provide a framework and are analysed throughout including those related to the collection display exhibition and use of historic automobiles The title takes a global and interdisciplinary view of the subject with international contributions from both established and emerging scholars in the field This book adds to the industrial heritage tourism literature and will appeal to a diverse audience in particular those in the fields of cultural heritage and industrial heritage

tourism but also practitioners involved with the planning restoration exhibition and management of automobile heritage attractions and events      *Classic Cars in Profile* Anthony Harding,1968      Formula One: The Pinnacle Tony Dodgins,Simon Arron,Guenther Steiner,2022-05-10 As Lewis Hamilton Max Verstappen and Charles Leclerc battle it out head to head in the most hotly contested championship in years this in depth book with a foreword from Haas team principal Guenther Steiner tells the story of how the sport evolved into the exhilarating high octane spectacle it is today The new rules introduced in 2022 signal the greatest change to F1 in a generation cracking the field wide open and seeing some of the most compelling and competitive races in the last 25 years Technical changes aimed at levelling the playing field for the teams combined with the sport s tightening budget cap have made the races closer than ever There will be more sprint races trialled in 2021 and greater fan interest driven by Netflix s hugely successful Drive to Survive series So how did we get here How did F1 become the acknowledged Pinnacle of Motorsport Simon Arron and Tony Dodgins have identified the 100 most significant changes to the series since its inception in 1950 Formula One is unrecognizable from its debut season where drivers raced around on old bomber training aerodrome in Northamptonshire with oil drums to mark the corners and straw bales the only concession to safety New fans will welcome a complete and highly illustrated guide to the history of F1 while older fans will be able to compare their own views of what were the pivotal moments of change in a book written by experienced motoring writers with two lifetimes worth of knowledge of the sport The book will link technical progress with the personalities involved indeed many of the swiftest changes have come about as a result of accidents or tragedies the death of Roland Ratzenberger at Imola in 1994 the same weekend as Ayrton Senna could have been avoided by the HANS safety device The introduction of the halo saved Romain Grosjean s life in Bahrain last year but only came about because of the tragic accident that claimed Jules Bianchi in Japan Along with changes to circuits and the technology of the cars this book highlights the commercial changes and the controversies that threatened to split the sport apart such as the threat of breakaway series proposed at various times by teams A must read for completists or for those new to the sport F1 The Pinnacle is a fascinating insight into one of the most exciting and dangerous sports in the world      Strategic Sports Event Management Guy Masterman,2021-11-18 This book provides students and event managers with an insight into the strategic management of sports events of all scales and types from international mega events to community sport Introducing key theory and best practice it offers a practical step by step guide to planning organizing managing and evaluating events Now in a fully revised and updated fourth edition the book explains the importance of adopting a strategic approach showing how to implement strategies that lead to successful outcomes over the short and the long term It uses international case studies in every chapter from the NBA and NFL to Formula 1 and the English Premier League offering real world insight into both larger and smaller events In addition woven throughout the book are a series of in depth studies of several Olympic Games the ultimate sporting event and an important point of reference for all practising and aspiring event managers The book covers every key

aspect of the sports event management process including sports organizations such as the IOC FIFA and World Athletics and their interactions with event partners the media and promoters short term and long term benefits of the planning process event impact and legacy operational functions including finance ticketing transport venues IT human resources and security marketing and communications including social networking and new media the bidding process research and evaluation This new edition includes expanded coverage of digital and social media the social impact of events sustainability security entrepreneurship employability and much more It is an essential text for any sports event course and invaluable reading for any student or practitioner working in sport business sport management sport development or event management The textbook is supported by useful online resources including additional case studies and exam questions for each chapter
