

Mass Air Flow Sensor

The image shows the engine compartment of a vehicle, likely a Ford, with the hood open. A white rectangular box with the text "Mass Air Flow Sensor" is overlaid on the image. A white arrow points from the text box to a sensor located on the air intake tube. The sensor is a small, cylindrical component with a black plastic housing and a metal band. The engine cover is visible in the background, and the battery is on the right side. The front grille and headlight are visible in the foreground.

Ford Taurus Check Engine Light Blinking
