Climatological Data, New York United States. Environmental Data Service,1955 **Climatological Data. New York**
,1954 **Official Daily Market Report** ,1903 **Historical Climate Variability and Impacts in North America**
Lesley-Ann Dupigny-Giroux,Cary J. Mock,2009-09-18 Climatologists with an eye on the past have any number of sources for
their work from personal diaries to weather station reports Piecing together the trajectory of a weather event can thus be a
painstaking process taking years and involving real detective work Missing pieces of a climate puzzle can come from very far
afield often in unlikely places In this book a series of case studies examine specific regions across North America using
instrumental and documentary data from the 17th to the 19th centuries Extreme weather events such as the Sitka hurricane
of 1880 are recounted in detail while the chapters also cover more widespread phenomena such as the collapse of the Low
Country rice culture The book also looks at the role of weather station histories in complementing the instrumental record
and sets out the methods that involve early instrumental and documentary climate data Finally the book s focus on North
America reflects the fact that the historical climate community there has only grown relatively recently Up to now most such
studies have focused on Europe and Asia The four sections begin with regional case studies and move on to reconstruct
extreme events and parameters This is followed by the role of station history and lastly methodologies and other analyses
The editors aim has been to produce a volume that would be instrumental in molding the next generation of historical
climatologists They designed this book for use by general researchers as well as in upper level undergraduate or graduate
level courses Climatological Data ,1953 **Climatological Data for the United States by Sections** ,1986 Collection
of the monthly climatological reports of the United States by state or region with monthly and annual national summaries
Times Picayune Index ,1981 Bell & Howell Newspaper Index to the New Orleans Times-picayune, the States-item
,1981 **Storm Data** United States. Environmental Data Service,2002 The Iron Trade Review ,1907
