

Instructions For The Preparation of Alabama Department of Revenue Individual Credits

2021

Use this schedule to compute credits available on the individual income tax return.

What's New

Individual taxpayers must apply through My Alabama Taxes (MAT) at www.myalabamataxes.alabama.gov and receive approval before certain credits are claimed on Schedule OC. Once logged into MAT, a taxpayer will need to select "Individual Income Tax" as their account type, then select "Submit a Credit Claim" from the "I Want To" menu on the right margin of the page and follow a short series of instructions/steps to claim a credit. Any supporting documentation for the credit claim is required to be attached in MAT. The process of "Submitting a Claim" through MAT must be completed to allow the recipients a credit claim. Taxpayers needing assistance with reserving a tax credit may call (334) 353-9770 or (334) 353-0602.

This credit is provided to prevent the double taxation of income and is only available to legal residents of Alabama filing Form 40 who have income from sources outside of Alabama that is being taxed by Alabama and another state (or territory of the United States) in the same tax year. Residents of Alabama for only a part of the tax year can claim this credit only if the returns filed with Alabama and the other state cover the same periods. In order to claim this credit, you must complete the Schedule CR, this section and attach a copy of other state's return or W-2G's if the taxing state does not allow a return to be filed for gambling winnings. (For more instruction see Form 40 Tax Booklet)

NOTE: Residents that worked and received income/wages from a state that doesn't have income tax will not be eligible for the credit for taxes paid to another state.

These tax incentives were enacted by Act No. 87-573 of the Alabama Legislature and were signed into law on July 22, 1987 as the "Alabama Enterprise Zone Act."

In order to qualify for the tax credits, a business must be located within a designated zone as approved by the Alabama Department of Economic and Community Affairs.

If a credit is earned by a partnership or S corporation, the credit will be distributed to each partner or shareholder based on the percentage of ownership. The partnership or S corporation should advise each partner or shareholder of

the amount of his/her income subject to this credit.
