## **Guide For Search Engines And Sites:**

**The Ultimate Guide to Search Engine Marketing** Bruce C. Brown, 2007-01-12 Is your ultimate goal to have more customers come to your website? You can increase your website traffic by more than 1 000 percent through the expert execution of Pay Per Click Advertising. With PPC advertising you are only drawing highly qualified visitors to your Web site. PPC brings you fast results and you can reach your target audience with the most cost effective method on the Internet today. In this book we show you the secrets of executing a successful cost effective campaign. Pay per click or PPC is an advertising technique that uses search engines where you can display your text ads throughout the Internet keyed to the type of business you have or the type of products you are promoting. Successful PPC advertising ensures that your text ads reach the right audience while your business only pays for the clicks your ads receive. Master the art and science behind Pay Per Click Advertising in a matter of hours. By investing a few dollars you can easily increase the number of visitors to your website and significantly increase sales. Since you only pay when someone actually clicks on your ad, your marketing dollars are being used more effectively and efficiently compared to any other advertising method. The key to success in PPC advertising is to know what you are doing, devise a comprehensive and well crafted advertising plan, and know the relationships between your website, search engines, and PPC advertising campaign methodology. This groundbreaking and exhaustively researched new book will provide everything you need to know to get you started on generating high volume, high quality leads to your website. This new book will teach you the six steps to a successful campaign: Keyword Research, Copy Editing, Setup and Implementation, Bid Management, Performance Analysis, Return on Investment and Reporting, and Avoiding PPC Fraud. In addition, we interviewed some of today's most successful PPC masters. This book is a compilation of their secrets and proven successful ideas. Additionally, we give you hundreds of tips and tricks to ensure your Web site is optimized for maximum search engine effectiveness to drive business to your web site and increase sales and profits.
