HESI Admission Assessment Exam Review Miller Test Prep, Hesi Admission Assessment Exam, 2019-11-10. The standard for the study guide industry is to throw in the kitchen sink when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through. This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores. Instead, Miller Test Prep has worked specifically with tutors. Why? Tutors, you ask. Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed to succeed. We compiled their decades of experience helping students just like
