Writing Term Papers with Cool New Digital Tools Joe Greek, 2013-12-15 In the not too distant past students were expected to turn in only handwritten or typed papers. However, with today's ease of access to the Internet and free applications, teachers are now expecting students to go beyond the confines of text-only productions. Various online programs make it possible to create multi-layered term papers that are rich in images, audio, and even video. And most of these tools are free to use. Students can now access their work from nearly anywhere that has an Internet connection. In the case of collaborative research projects, this same technology allows team members to work with each other even when they are in different locations. A wide variety of online and offline tools, techniques, and tips to help students research, write, edit, prepare, and present term papers are discussed and explained here. This revelatory guidebook to the latest in term paper technology also supports Common Core Standards for the reading of technical accounts and texts. 20 Ideas for Teaching Gifted Kids in the Middle School and High School Joel E. Writing Academic Papers Elia Shabani Mligo, 2012-08-16 Writing Academic Papers is a book for undergraduate students in higher learning institutions and colleges designed to help them accomplish their academic paper assignments. This book comprises most materials necessary for students to write convincing and persuasive academic papers. It defines an academic paper, explains its importance in higher education, and outlines the necessary steps in writing a well-presented, well-argued, and well-documented academic paper. This book also discusses in detail, and with concrete examples, the question of plagiarism, the most serious offense in academic writing, including the effects of plagiarism in the production of new knowledge and the consequences to those caught plagiarizing. This book is an invaluable resource for all beginning students striving to achieve ethical and excellent writing performances. *Indiana English*, 1983 Research in Education
