Will,1995-01-01 **A Commentary on St. Paul's Epistles to the Ephesians, Philippians, Colossians, and to Philemon** Joseph Agar Beet,1890 Critical and Exegetical Commentary on the New Testament: Philippians and Colossians William Purdie Dickson,Frederick Crombie,1875 Commentary on 1 John John Calvin, For hundreds of years John Calvin s Commentaries have been admired and relied upon for their deep insights into Scripture Charles Spurgeon told his students It would not be possible for me too earnestly to press upon you the importance of reading the expositions of that prince among men John Calvin Of all commentators I believe John Calvin to be the most candid He was no trimmer and pruner of texts He gave their meaning as far as he knew it His honest intention was to translate the Hebrew and the Greek originals as accurately as he possibly could and then to give the meaning which would naturally be conveyed by such Greek and Hebrew words he laboured in fact to declare not his own mind upon the Spirit s words but the mind of the Spirit as couched in those words And even Arminius himself admitted Next to the perusal of the Scriptures which I earnestly inculcate I exhort my pupils to peruse Calvin s commentaries for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the Library of the Fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent gift of prophecy **A Commentary, Critical, Experimental, and Practical on the Old and New Testaments** Robert Jamieson (D.D.),1870 **A Commentary, Critical, Experimental, and Practical, on the Old and New Testaments, by the Rev.
