

What is Hooliganism? (I)

- It is important to define the difference between hooligans, fans and supporters...
 - Supporters- can follow a team or national side without ever going to the games.
 - Fans- Travel to games but are there simply for the football.
 - Hooligans- Use a football match as a justification for abusive and violent acts.
- Spectator violence has been a problem for football in the last 50 years.
- Not just confined to the UK, it is very much a worldwide phenomenon.
