Horizon Barry Lopez, 2019-03-19 ONE OF THE BEST BOOKS OF THE YEAR THE NEW YORK TIMES NPR THE GUARDIAN From pole to pole and across decades of lived experience National Book Award winning author Barry Lopez delivers his most far ranging yet personal work to date Horizon moves indelibly immersively through the author's travels to six regions of the world from Western Oregon to the High Arctic from the Galapagos to the Kenyan desert from Botany Bay in Australia to finally unforgettably the ice shelves of Antarctica Along the way Lopez probes the long history of humanity's thirst for exploration including the prehistoric peoples who trekked across Skraeling Island in northern Canada the colonialists who plundered Central Africa an enlightenment era Englishman who sailed the Pacific a Native American emissary who found his way into isolationist Japan and today's ecotourists in the tropics And always throughout his journeys to some of the hottest coldest and most desolate places on the globe Lopez searches for meaning and purpose in a broken world

Books in Print Supplement ,2002 **George Washington's Nemesis** Christian McBurney,2019-12-20 This biography attempts to set the record straight for a misunderstood military figure from the American Revolution Historians and biographers of Charles Lee have treated him as either an enemy of George Washington or a defender of American liberty Neither approach is accurate objectivity is required to fully understand the war's most complicated general In George Washington's Nemesis author Christian McBurney uses original documents some newly discovered to combine two dramatic stories to create one balanced view of one of the Revolutionary War's most fascinating personalities General Lee second in command in the Continental Army led by George Washington was captured by the British in December 1776 While imprisoned he gave his captors a plan on how to defeat Washington's army as quickly as possible This extraordinary act of treason was not discovered during his lifetime Less well known is that throughout his sixteen months of captivity and even after his release Lee continued communicating with the enemy offering to help negotiate an end to the rebellion After Lee rejoined the Continental Army he was given command of many of its best troops together with orders from Washington to attack British general Henry Clinton's column near Monmouth New Jersey But things did not go as planned for Lee leading to his court martial for not attacking and for retreating in the face of the enemy McBurney argues the evidence clearly shows Lee was unfairly convicted and had in fact done something beneficial But Lee had insulted Washington which made the matter a political contest between the army's two top generals only one of whom
