The Virgin Monologues Carrie Lloyd, 2014-12-19 An insightful inspirational amusing and honest guide to relationships for the modern single Christian woman How does the single Christian woman maintain her relationships while staying true to herself How can she thrive in a predominately secular culture and keep her faith in a world that doesn't reflect her values The Virgin Monologues teaches how to do healthy relationships what to fight for and what to give up on It gives healthy principles to understand before looking for a team mate

The Business That is Not Business—Marriage Olehile Moses Setilo, 2025-07-17 When one starts a business one researches conducts background checks drafts business plans works on the budget and focuses on establishing running and growing the business and continually evaluates to improve where necessary Why not do the same for marriage since business and marriage both have direct psychosocial physical emotional and economic impacts

on one's life. Hence throughout this book there is a thread of a business concept that runs across stitching out marital activities to business. The idea is meant to give reality, confront, mitigate challenges accompanying marriage, provoke deep thinking and keep one attentive. This book also serves as a lamp in a marital voyage. In *The Business That is Not Business Marriage*, author Olehile Moses Setilo discusses making marriage your business. He helps you understand why marriage is a merger, quantify the happiness index, know your business before you venture into it, learn to spot red flags, consider the cultural influences and differences, realize the power of language in your marriage, analyze the opportunity cost, invest in the marriage, know the factors that can harm your marriage and acknowledge and internal and external stakeholders. *The Business That is Not Business Marriage* communicates that marriage is serious business and it must be handled with care. Delving into a range of topics, this guide contributes to strengthening marriages and building strong family base and offers the opportunity to enjoy the serendipity of business familiarity. The bottom line: Marriage is a journey, not a destination.

Family & Faith Dr. Pamela R. Samms, Dr. Robert O. A. Samms, 2011-04-18 Contemporary marriages are facing relationship challenges caused by the shift in recent decades from the traditional pattern of marriages and family relationships to the current form of companionship or partnership relationships. This new system requires special strategies for families to survive. Most people are unaware of the need for education in order to enjoy marital success. Consequently, about fifty percent of marriages in North America fail. This book addresses this need and offers a few bold solutions by using lessons from Biblical families blended with current ideas from marriage professionals. Singleness, Marriage, and the Will of God J. Robin Maxson, 2012 Not everyone will marry or should, but virtually all single adults think about marriage. And all make decisions that either maintain their singleness or attempt to change it. This book by the authors of the groundbreaking *Decision Making and the Will of God* offers an in-depth tutorial to help singles apply biblical principles to the critical choices they confront: Do I want to get married? Are there good reasons to remain single? What sort of person should I consider as a potential spouse? How do I look for a mate? What should I do if no spouse shows up? What is God's role in the decision-making process? This comprehensive volume will equip readers to make wise choices about marriage according to the will of God. It is also an invaluable resource for parents, counselors, and pastors. Proposing Prosperity? Jennifer M. Randles, 2016-12-27 Fragile families: unmarried parents who struggle emotionally and financially are one of the primary targets of the Healthy Marriage Initiative, a federal policy that has funded marriage education programs in nearly every state. These programs, which encourage marriage by teaching relationship skills, are predicated on the hope that married couples can provide a more emotionally and financially stable home for their children. Healthy marriage policy promotes a pro-marriage culture in which two-parent married families are considered the healthiest. It also assumes that marriage can be a socioeconomic survival mechanism for low-income families and an engine of upward mobility. Through interviews with couples and her own observations and participation in marriage education courses, Jennifer M. Randles challenges these assumptions and critically

examines the effects of such classes on participants She takes the reader inside healthy marriage classrooms to reveal how their curricula are reflections of broader issues of culture gender governance and social inequality In analyzing the implementation of healthy marriage policy Randles questions whether it should target individual behavior or the social and economic context of that behavior The most valuable approach she concludes will not be grounded in notions of middle class marriage culture Instead it will reflect the fundamental premise that love and commitment thrive most within the context of social and economic opportunity

Healthy Marriage and Responsible Fatherhood Initiative Kay E. Brown, 2009-06
 Strengthening marriages and relationships in low income families has emerged as a national strategy for enhancing the well being of children The Deficit Reduction Act of 2005 appropriated 150 million in grants each year from 2006 through 2010 to implement the Healthy Marriage and Responsible Fatherhood Initiative This report provides insight into how these programs are being implemented and monitored and reports on 1 how the Dept of Health and Human Services HHS awarded grants and the types of org that received funding 2 what activities and services grantees are providing incl those for domestic violence victims 3 how HHS monitors and assesses program implementation and use of funds and 4 how program impact is measured Illus
