I Am Because You Are Jacob Lief, Andrea Thompson, 2015-05-12 In 1998 Jacob Lief a 21 year old American university student met school teacher Malizole Banks Gwaxula in a township tavern in Port Elizabeth South Africa After bonding over beers and a shared passion for education Gwaxula invited Lief to live with him in the township Inspired by their fortuitous meeting which brought together two men separated by race nationality and age and by the spirit of ubuntu roughly translated as I am because you are the two men embarked on an unexpectedly profound journey Their vision To provide vulnerable children in the townships with what every child deserves everything Today their organization Ubuntu Education Fund is upending conventional wisdom about how to break the cycle of poverty Shunning traditional development models

Ubuntu has redefined the concept of scale focusing on how deeply it can impact each child's life rather than how many it can reach. Ubuntu provides everything a child needs and deserves from prenatal care for pregnant mothers to support through university essentially from cradle to career. Their child-centered approach reminds us that one's birthplace should not determine one's future. *I Am Because You Are* sets forth an unflinching portrayal of the unique rewards and challenges of the nonprofit world while offering a bold vision for a new model of development. *Owner Building in South Africa* Janek Szymanowski, Penny Swift, 2012-06-15 This practical handbook is an indispensable guide for all owner builders. In *Weber Mediterranean*, master griller Jamie Purviance explores the cuisine of the region. Jamie's recipes are simple to follow and take the guesswork out of braaiing while his handy tips provide advice where it is needed. The short introduction includes how to make flat breads and kebabs and what equipment you need for efficient braaiing. Also included are cooking charts for fish and shellfish, lamb, beef, pork, poultry and vegetables. *The Making of Griqua, Inc* Erwin Schweitzer, 2015 With the dawn of democracy in South Africa in 1994, the struggle of the indigenous Griqua people for land has gained new momentum. Having lost most of their ancestral land in the 19th century due to colonialism, the Griqua people are now using new legal opportunities to reclaim land. On their re-obtained land, the Griqua dwell, farm, celebrate indigenous festivals and create cultural villages for tourists. In doing so, they are currently contributing to the making of Ethnicity Inc, the double process of commodification of culture and creation of ethnic businesses.
