Content and Strategies

Engage Students will be asked to share what they have learned about plant life cycle. Create a bubble map to record their answers. Show various video clips from You Tube or Teacher Tube. Prompt students what to listen for as they view videos. Ask students to share what information they gained from viewing.

Explore In the computer lab, students will be divided into groups of four and will research bee pollination using bookmarked web sites or Google. Students will use teacher-created scavenger hunt to guide them in their research. Each student in the group will be given a specific area to research relative to bee pollination.
