Leadership for India Inc. C.B. Rao, 2018-01-16 Leadership is the engine of growth in any walk of life Leadership is often portrayed as the singular capability of an individual at the helm of an organisation Theories and models of leadership that abound miss the point that true leadership is a highly multi faceted and highly inclusive endeavour This book Leadership for India Inc An Experiential Treatise is a unique work that is contextually relevant and culturally appropriate Given that leadership with an Indian perspective is studied and researched less than it ought to be this book fills a major gap This book studies leadership from several practical and unique angles and brings forth insights models and constructs that are not often the mainstay of published leadership literature The perspectives that are laid out in the book are fresh and original as well as offbeat and philosophical The book presents a rich tapestry of the deep and diversified insights borne out of the author's over four decades of working with leaders and working as a leader which are discussed in a practical and fulsome manner The book with its Prologue forty chapters and Epilogue that cover comprehensively and in depth all aspects of leadership serves as an experiential treatise for established as well as aspirant leaders for India Inc It would equally serve as a reference text book for students and academicians as well as professionals and leaders The book is dedicated very appropriately to the greatest leader of all times Mahatma Gandhi

Personal Mastery C Bhaktavatsala Rao, 2024-01-24 Every individual has characteristics that comprise capabilities aptitudes attitudes emotions and aspirations among others These characteristics continuously evolve in a person These in a sense are expressions of the energy of a person Only when these are developed in a positive manner with mutual alignment would an individual feel fulfilled Given that every individual is a part of multiple ecosystems from the family to the organization each with its own changing dynamics the fulfilment does not come easy Personal mastery helps a person achieve that fulfilment This book titled Personal Mastery Competence Behaviour Frameworks with its thirty insightful chapters aims to lead the readers on a journey of personal mastery Life provides to an individual as many opportunities as challenges Personal mastery involves setting and achieving high standards of performance with positive contributions to the family the organization and the society The journey is a journey of introspection reflection and betterment It involves self awareness self motivation self discipline self confidence and self control besides inter personal relationships Personal mastery involves building strong competencies and positive behaviours

This book presents multiple frameworks to achieve personal mastery **Work-Life Balance** C B Rao,2019-02-01 Every organization is like a delicate ecosystem It needs to be nurtured with care and concern just as a natural ecosystem is ecologically nurtured For this organizational behavior is the instrument Organizational behavior is the study of human behavior in organizational settings including the interface of human beings among themselves the interface of human beings with their and other external organizations and the behavior of organizations with respect to individuals and other organizations Individual behavior is an integral part of organizational behavior As individuals and organizations devote the needed attention to the subject the challenging issue of work life balance is resolved This major work on organizational behavior with its ninety chapters is divided into fifteen sections each of which deals with a specific theme relating to factors impacting and is impacted by organizational behavior This book provides multiple constructs that facilitate optimal work life balance This book will serve as a companion text for students and faculty specializing in organizational behavior and general management Academicians industry managers and leaders as well as administrators and policy makers will find this book a useful thought primer and guide for effective organizational management More importantly the several propositions made in the book would help individuals and institutions achieve competitive strength emotional stability and self actualization through optimal work life balance And The Cave Plato? Ulisses Jadanhi,2024-08-01 What if the most dangerous prison isn't made of stone but of thoughts you believe are your own Plato's Allegory of the Cave has haunted human thought for millennia but what does it mean in a world of social media instant gratification and digital illusions In And the Cave Plato author and psychoanalyst Ulisses Jadanhi doesn't just revisit this ancient metaphor he shatters it against the concrete walls of modern life This book is a deliberately sharp ironic and provocative dialogue with philosophy psychoanalysis and ourselves It's not written for academics but for the restless for anyone who has scrolled through filtered smiles and felt a nagging emptiness or chased success only to wonder if the prize was real Blending keen philosophical analysis with modern psychoanalytic reflection Jadanhi confronts the illusions that bind us and the light that promises our liberation And the Cave Plato is more than a question it's a challenge It's an invitation to argue with the book to wrestle with its ideas and to begin the only journey that truly matters the one out of the shadows This is your invitation to the hero's journey Will you answer the call The Idea of Nature in Disney Animation David Whitley,2016-03-03 In the second edition of The Idea of Nature in Disney Animation David Whitley updates his 2008 book to reflect recent developments in Disney and Disney Pixar animation such as the apocalyptic tale of earth's failed ecosystem WALL E As Whitley has shown and Disney's newest films continue to demonstrate the messages animated films convey about the natural world are of crucial importance to their child viewers Beginning with Snow White Whitley examines a wide range of Disney's feature animations in which images of wild nature are central to the narrative He challenges the notion that the sentimentality of the Disney aesthetic an oft criticized aspect of such films as Bambi The Jungle Book Pocahontas Beauty and the Beast and Finding Nemo necessarily prevents audiences

from developing a critical awareness of contested environmental issues On the contrary even as the films communicate the central ideologies of the times in which they were produced they also express the ambiguities and tensions that underlie these dominant values In distinguishing among the effects produced by each film and revealing the diverse ways in which images of nature are mediated Whitley urges us towards a more complex interpretation of the classic Disney canon and makes an important contribution to our understanding of the role popular art plays in shaping the emotions and ideas that are central to contemporary experience

So, Nietzsche Did You Like It? Ulisses Jadanhi, 2024-03-31 What if Nietzsche had a Twitter account Would he laugh at your morals in 280 characters So Nietzsche Did You Like It is not a biography not a manual and definitely not polite philosophy It s a provocative irreverent and soul shaking invitation to think like it hurts just the way Nietzsche intended In this modern reinterpretation of Friedrich Nietzsche s most unsettling ideas psychoanalyst and educator Ulisses Jadanhi hammers through the illusions of freedom morality identity and truth in the digital age With a fierce blend of philosophical critique sharp humor and brutal honesty the book transforms Nietzschean thought into an explosive dialogue with today s world from TikTok nihilism to influencer bermensches You ll dive into themes like Authenticity vs conformity in algorithmic times Manufactured morality and digital religion Faith freedom and the illusion of choice Eternal return herd instinct and metaverse avatars Whether you re a philosophy student a rebel thinker or simply tired of intellectual fast food this book will push you into discomfort and that s exactly the point Expect impact Expect sarcasm Expect to question everything This is not a peaceful read it s a confrontation A philosophical bar fight with Nietzsche pouring the drinks If you loved authors like Slavoj i ek Alain de Botton or Mark Manson but wanted more edge more risk more depth this is your next read Join the movement Break the mold Think dangerously

Freud, You Brilliant Bastard! Ulisses Jadanhi, 2023-11-02 What if you could sit across from Freud and challenge him to his face Freud You Brilliant Bastard is a bold irreverent and mind stirring conversation between a modern psychoanalyst and the ghost of Sigmund Freud Written by Ulisses Jadanhi this provocative book merges deep clinical insight with sharp philosophical critique It s not a tribute it s a confrontation You ll walk through the corridors of the unconscious clash with repression decode dreams and explore taboos that still shape your life With a witty accessible tone and fierce intellectual energy this book dares to ask What still makes Freud brilliant What should we discard or reframe in today s world And what truths are we still too afraid to admit Whether you re a student a therapist or just obsessed with the human psyche this book will shake your views challenge your certainty and make you laugh while it does Forget boring theory This is Freud with fire
