Re-reading / La relecture Rachel Falconer, Andrew Oliver, 2012-03-15 What happens when we re read a familiar book Does the second encounter turn us into experts more knowing and confident in our relation to the text Or conversely does it expose the gaps and limits of each reading experience Does re reading affirm our own sense of identity reconnecting us to earlier memories or does it shock and destabilize revealing discontinuities between past and present selves Is re reading uncanny a discovery of the familiar in the unfamiliar or the reverse Do certain literary devices and tropes symbols allegories for example depend on re reading to be activated Are there some texts that can only be re read Re reading is rarely discussed in depth yet it forms the core of most conversations about literature for we rarely become passionate or critical about books we have only read once It is also re reading that consolidates a core of texts into what we recognise to be a canon of literature and it is re reading again that breaks open the canon and reshapes it We re read alone but we also re read communally in the shared space of the theatre or in the translation of a text from one culture to another or one medium to another Re reading is a necessary part of the professional reader s life yet there is often in the history of the individual scholar some formative relationship with a text read obsessively in childhood This bilingual volume of essays brings together an international group of eminent scholars in order to reflect on this process of re reading in honour of Graham Falconer Professor of 19th century French literature and long term re reader The essays vary from personal reflections on formative childhood reading and self reflexive scholarly re readings to analysis of the theme of re reading in texts and presentation of new theories of re reading Gustave Flaubert Honor de Balzac Stendhal Eugène Fromentin Guy de Maupassant Marcel Proust Samuel Beckett Dostoevsky Mikhail Bakhtin W B Yeats William Blake Roland Petit H G Wells and Anthony Hope are amongst the authors re visited in these reflections on the practice of re reading

Nicolas Edme Rétif de la Bretonne, 'Ingénue Saxancour' Mary S. Trouille, 2014-05-05 Set in Paris in the 1780s Rétif de la Bretonne s *Ingénue Saxancour* is a thinly veiled account of his daughter s disastrous marriage to an abusive husband From the time of her marriage in January 1780 until she left her husband in July 1785 Agnès Rétif suffered continually from severe physical sexual and emotional abuse Published in 1789 Rétif s novel scandalized the public with its graphic descriptions of his son in law s sexual perversity and brutal violence Rétif s novel remains shocking more than two centuries later and continues to raise disturbing questions about power relations within abusive relationships Perhaps most disturbing of all are the accusations leveled against Rétif himself concerning his motives for writing and publishing this account Was he as some charged a shameless exhibitionist willing to

reveal his family's darkest secrets merely to attract attention and broaden his readership Was he an unscrupulous opportunist willing to capitalize on his daughter's misfortunes and risk her reputation simply to pay his debts Or was he as he himself claimed trying to warn young women about the dangers of marrying men of dubious backgrounds against their parents' wishes R tiff was all this and more a reform minded pioneer far in advance of his time with his graphic portrayal of spousal abuse his call for greater public awareness of this perennial problem and his crusade for liberal divorce laws that would allow women to escape from abusive relationships and to remarry This in fact is what Agn's R tiff was able to do after passage of the divorce law passed by France's revolutionary government in 1792
