Linconnue De La Seine:

L'inconnue de la Seine Sacheverell Sitwell, 1950 After Blanchot Leslie Hill, Brian Nelson, Dimitris Vardoulakis, 2005

What does it mean to come after Blanchot Three things at least First it is to recognise that it is no longer possible to believe in an essentialist determination of literary discourse or of aesthetic experience All this has disappeared and there is no way back Second there is the question of history What is Blanchot's legacy to us his readers Any name however irreplaceably singular is always already preceded limited challenged even by the abiding anonymity of the person animal or thing it claims to name Every name is necessarily impersonal anonymous other Blanchot after Blanchot then can best be understood in the sense of that which is according to Blanchot and that is nothing other than the infinite process of reading and rereading Blanchot without end Here a third meaning to the phrase after Blanchot comes into view For if we come after Blanchot it is surely because Blanchot is still before us still in front still in the future still to come *The Drowned Muse* Anne-Gaëlle Salot, 2015 *The Drowned Muse* is a study of the extraordinary destiny in the history of European culture of an object which could seem at first glance quite ordinary in the history of European culture It tells the story of a mask the cast of a young girl's face entitled *L'Inconnue de la Seine* the Unknown Woman of the Seine and its subsequent metamorphoses as a cultural figure Legend has it that the Inconnue drowned herself in Paris at the end of the nineteenth century The forensic scientist tending to her unidentified corpse at the Paris Morgue was supposedly so struck by her allure that he captured in plaster the contours of her face This unknown girl also called *The Mona Lisa of Suicide* has since become the object of an obsessive interest that started in the late 1890s reached its peak in the 1930s and continues to reverberate today Aby Warburg defines art history as a ghost story for grown ups This study is similarly a ghost story for grown ups narrating the aura of a cultural object that crosses temporal geographical and linguistic frontiers It views the Inconnue as a symptomatic expression of a modern world haunted by the earlier modernity of the nineteenth century It also investigates how the mask's metamorphoses reflect major shifts in the cultural history of the last two centuries approaching the Inconnue as an entry point to understand a phenomenon characteristic of 20th and 21st century modernity the translatability of media Doing so this study mobilizes discourses surrounding the Inconnue casting them as points of negotiation through which we may consider the modern age

The Imperative to Write Jeff Fort, 2014-03-03 Is writing haunted by a categorical imperative Does the Kantian sublime continue to shape the writer's vocation even for twentieth century authors What precise shape form or figure does this residue of sublimity take in the fictions that follow from it and that leave it in ruins This book explores these questions through readings of three authors who bear witness to an ambiguous exigency writing as a demanding and exclusive task at odds with life but also a mere compulsion a drive without end or reason even a kind of torture If Kafka Blanchot and Beckett mimic a sublime vocation in their extreme devotion to writing they do so in full awareness that the trajectory it dictates leads not to metaphysical redemption but rather downward into the uncanny element of fiction As this book argues the sublime has always been a deeply melancholy affair even in its classical Kantian form but it is in the attenuated speech of narrative voices progressively stripped of their resources and rewards that the true nature of this melancholy is revealed *Le masque de Hegel* Thomas Hunkeler, 2025-01-24 T00:00:00+01:00 Voici une enquête littéraire et historique qui s'intresse un objet aussi singulier que l'œuvre de l'époque qui l'a vu naître le masque mortuaire du philosophe Hegel Conservé aux Archives littéraires allemandes Marbach cette empreinte faciale en plâtre pose bien des questions d'authenticité ou de conditions de réalisation Mais avant tout elle retrace l'histoire des vivants qui ont cherché s'approprier l'héritage le capital et l'énergie dont ce masque tait la fois l'emblème et la trace tangible Une histoire cheval sur deux siècles le XIXe et le XXe pleine de rebondissements où se côtoient des mouleurs et des collectionneurs des juristes et des politiciens des philosophes et des artistes d'Elias Canetti Virginia Woolf d'André Breton Paul Valéry Thomas Hunkeler est critique littéraire et professeur à l'Université de Fribourg en Suisse Il est l'auteur d'ouvrages de l'égo dans l'œuvre de Samuel Beckett L'Harmattan et de Paris et le nationalisme des avant-gardes Hermann Il poursuit depuis de nombreuses années des recherches sur le modernisme européen
