Lingo A Language Spotters Guide To Europe:

Lingo Gaston Dorren, 2014-11-06 Welcome to Europe as you've never known it before seen through the peculiarities of its languages and dialects Combining linguistics and cultural history Gaston Dorren takes us on an intriguing tour of the continent from Proto Indo European the common ancestor of most European languages to the rise and rise of English via the complexities of Welsh plurals and Czech pronunciation Along the way we learn why Esperanto will never catch on how the language of William the Conqueror lives on in the Channel Islands and why Finnish is the easiest European language Surprising witty and full of extraordinary facts this book will change the way you think about the languages around you Polyglot Gaston Dorren might even persuade you that English is like Chinese

Garner's Modern English Usage Bryan A. Garner, 2022 Garner's Modern English Usage is one of the most influential style guides ever written for the English language With more than a thousand new entries 200 replacement entries and thoroughly updated usage data this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing

Garner's Modern English Usage Bryan Garner, 2016-03-11 With more than a thousand new entries and more than 2 300 word frequency ratios the magisterial fourth edition of this book now renamed Garner's Modern English Usage GMEU reflects usage lexicography at its finest Garner explains the nuances of grammar and vocabulary with thoroughness finesse and wit He discourages whatever is slovenly pretentious or pedantic GMEU is the liveliest and most compulsively readable reference work for writers of our time It delights while providing instruction on skillful persuasive and vivid writing Garner liberates English from two extremes both from the hidebound purists who mistakenly believe that split infinitives and sentence ending prepositions are malfeasances and from the linguistic relativists who believe that whatever people say or write must necessarily be accepted The judgments here are backed up not just by a lifetime of study but also by an empirical grounding in the largest linguistic corpus ever available In this fourth edition Garner has made extensive use of corpus linguistics to include ratios of standard terms as compared against variants in modern print sources No other resource provides as comprehensive reliable and empirical a guide to current English usage For all concerned with writing and editing GMEU will prove invaluable as a desk reference Garner illustrates with actual examples cited with chapter and verse all the linguistic blunders that modern writers and speakers are prone to whether in word choice syntax phrasing punctuation or pronunciation No matter how knowledgeable you may already be you're sure to learn from every single page of this book
