Mark Scheme Dmay 2013:

Are Libraries Obsolete? Mark Y. Herring, 2014-01-23 The digital age has transformed information access in ways that few ever dreamed But the afterglow of our digital wonders has left libraries reeling as they are no longer the chief contender in information delivery The author gives both sides the web aficionados some of them unhinged and the traditional librarians some blinkered a fair hearing but misconceptions abound Internet be all and end all enthusiasts are no more useful than librarians who urge fellow professionals to be all things to all people The American Library Association wildly democratic at its best and worst appears schizophrenic on the issue unhelpfully My effort here says the author is to talk about the elephant in the room Are libraries obsolete No concludes the author also The book explores how libraries and librarians must and certainly can continue to be relevant vibrant and enduring *Sales Management* Thomas N. Ingram, Raymond W. LaForge, Ramon A. Avila, Charles H. Schwepker Jr., Michael R. Williams, 2015-03-27 The new 9th edition of *Sales Management* continues the tradition of blending the most recent sales management research with real life best practices of leading sales organizations The authors teach sales management courses and interact with sales managers and sales management professors on a regular basis Their text focuses on the importance of employing different sales strategies for different consumer groups as well as integrating corporate business marketing and sales strategies *Sales Management* includes current coverage of the trends and issues in sales management along with numerous real world examples from the contemporary business world that are used throughout the text to illuminate chapter discussions Key changes in this edition include Updates in each chapter to reflect the latest sales management research and leading sales management trends and practices An expanded discussion on trust building and trust based selling as foundations for effective sales management All new chapter opening vignettes about well known companies that introduce each chapter and illustrate key topics from that chapter New or updated comments from sales managers in *Sales Management in the 21st Century* boxes An online instructor's manual with test questions and PowerPoints is available to adopters *Risk and Return for Regulated Industries* Bente Villadsen, Michael J. Vilbert, Dan Harris, Lawrence Kolbe, 2017-04-27 *Risk and Return for Regulated Industries* provides a much needed comprehensive review of how cost of capital risk arises and can be measured how the special risks regulated industries face affect fair return and the challenges that regulated industries are likely to face in the future Rather than following the trend of broad industry introductions or textbook style reviews of utility finance it covers the topics of most interest to regulators regulated companies regulatory lawyers and rate of return analysts in all countries Accordingly the book also includes case studies about various countries and discussions of the lessons international regulatory procedures can offer Presents a unified treatment of the regulatory principles and practices used to assess the required return on capital Addresses current practices before exploring the ways methods play out in practice including irregularities shortcomings and concerns for the future Focuses on developed economies instead of providing a comprehensive global reviews Foreword by
