Thompson Sr,2013-03 The time was the great rift between fallen angels as humans it was the supposed time of the great freedom when there were no rules on earth And that time was when earth wasn t even called earth It was nothing to them and something in the same moment The fallen angels almost had the same kind of planet as Aubrahteery which they gave up It was warm and lit all the time There was no darkness no coldness and no desolation Until their dark hearts took over and began to change their surroundings What the fallen angels also didn t realize was that their new home verged changing with the reality of the darkness lying in the root of their hearts The fallen angels didn t realize that darkness and negativity carried a lot more dead weight with it which is ultimately what forged the slowing planet with all the fallen angels as humans upon her surface **Mina's Matchbox** Yoko Ogawa,2024-08-13 Named a Best Book of 2024 by Kirkus Reviews and NPR
