It is worth noting that the authors of this paper are not suggesting that the current system is perfect. The current system is a complex system with many moving parts, and it is not clear what the best solution is. However, the authors do believe that the current system is not working well, and that there are some things that can be done to improve it. The authors are not suggesting that the current system is the only way to do things, but they do believe that there are some things that can be done to make it work better.
