The Proud Oak

Once upon a time, in a beautiful forest, there stood a large, old oak tree. He was very proud of his size and strength. He looked down on all the other trees and said, "I am the king of the forest. No one can match me."

One day, a gentle reed grew up next to him. The reed was very small and thin. The oak tree looked at him and said, "You are so weak. You will never be able to stand up to me."

The reed replied, "I may be small, but I am strong. I can bend without breaking. You are so proud, but you will break when the wind comes."

One day, a strong wind came. The oak tree tried to stand firm, but he was so proud that he did not bend. He was broken in two. The reed, on the other hand, bent low to the ground and survived. The oak tree was left as a pile of logs, and the reed stood tall and proud.
