The 52 Weeks Karen Amster-Young, Pam Godwin, 2013-11-05 Edging into forty something Karen and Pam found themselves in a state of stuck They had checked off many of their major life goals career husband children friends but they d lost momentum After griping over drinks one night they came up with a plan to face their fears rediscover their interests try new things and renew their relationships They challenged themselves to try one new thing every week for a year from test driving a Maserati to target practice at a shooting range to ballroom dance lessons and to blog about their journeys They quickly realized it was harder than they ever imagined but came through it with a sense of clarity and purpose that has them itching to share the possibilities with the millions of middle aged women out there who feel the same way about one or many areas of their lives Getting unstuck doesn t have to mean running a marathon traveling the world or ending a relationship with your partner Through their experiences and a good dose of no nonsense advice Karen and Pam show readers how achieving small goals can give you a renewed sense of accomplishment and how you can keep growing learning and moving forward at any age Interspersed with personal stories is expert advice from doctors psychiatrists artists and even a poker diva who also happens to be a Fortune 500 executive Car and Driver ,2005 Autocar ,2005 Automobile Magazine ,2008

to provide many years and miles of use You should scale your expectations based on your desire for perfection If you are in search of an immaculate F430 then you ll want to ensure most items on this list are in excellent repair If you are looking for a driver s car then your threshold of tolerance for minor functional or aesthetic flaws may be higher Bear in mind lower miles can mean more problems Cars that have sat unmoved for long periods of time tend to have more issues than those that have been driven and maintained properly Almost all F430s will have some issues given their age at this point in time This guide will help expose these issues and let you decide if they are deal breakers negotiation points or simply items to resolve or even just accept as is after purchase People ask me all the time Should I buy this Ferrari That is a question I cannot answer for you I can only help inform your decision with knowledge gleaned from my own experience The decision is ultimately yours to make but in most cases I don t think you ll regret it     Specialized Auto Radio Manual, 6-A John Francis Rider,1955
