

AURON

Q What is the significance of the name Auron? It means "light" in the Japanese language, which is a bit ironic considering he's a dark figure. But it also means "son" in some contexts, which might refer to his role as a mentor or guide.

A Auron is a complex character. He's a former member of the Black Mage guild, but he's also a powerful warrior. He's been around for a long time, and he's seen a lot of things. He's a bit of a loner, but he's also a very loyal friend.

Q How did you come up with the design for Auron?

A I wanted to create a character that was both imposing and mysterious. I drew inspiration from various sources, including Japanese folklore and the aesthetics of the Final Fantasy series. I wanted him to look like someone who had been through a lot of battles and had a deep history.

RIKKU

T Rikku is a character who's been around for a long time. She's a member of the Black Mage guild, and she's a powerful warrior. She's been around for a long time, and she's seen a lot of things. She's a bit of a loner, but she's also a very loyal friend.
