Tise,1990-10-01 Probing at the very core of the American political consciousness from the colonial period through the early
republic this thorough and unprecedented study by Larry E Tise suggests that American proslavery thought far from being
an invention of the slave holding South had its origins in the crucible of conservative New England Proslavery rhetoric Tise
shows came late to the South where the heritage of Jefferson s ideals was strongest and where as late as the 1830s most
slaveowners would have agreed that slavery was an evil to be removed as soon as possible When the rhetoric did come it was
often in the portmanteau of ministers who moved south from New England and it arrived as part of a full blown ideology
When the South finally did embrace proslavery the region was placed not at the periphery of American thought but in its
