Dark Assemblages Kay Pritchett, 2015-10-22 This book examines strategies of transformation becoming image making and the phantasmagoric that figure in four stories and a novel by Gothic fiction writer Pilar Pedraza Spain 1951 While critics have long associated the Bildungsroman with Gothic fiction this study takes a close look at the developmental process itself the means by which a protagonist young or old might transcend a deprived status to achieve a complete sense of self Pedraza's works imply that regardless of the path followed a character's ability to think differently is crucial to progress The fixed image representative of an inflexible socially determined mindset arises as an obstacle to maturation In *Das de perros* for example a triangular arrangement of coins in a cigar box elucidates the connection between individual lives and the social order or assemblage Literary texts such as this one serve as collective assemblages of enunciation capable of exposing fixed images as powerful instruments of control *Tristes Ayes del guila Mejicana* discovers fixed images among the icons of Colonial Spain's exequias reales used in this case to territorialize the evolving identity of indigenous peoples The territory that Pedraza's fiction best illuminates is in reality the image When images remain fixed or territorialized they uncannily infect the assemblages over which they exert influence Placing emphasis on images that impact women Pedraza in *Anfiteatro* for example deconstructs cat woman which albeit a potentially subversive image in its early manifestations eventually ceases to empower the feminine lashing it rather to a burdensome stereotype

Territorialized the feminine must then break free from the image in order to discover representations more capable of illuminating present day challenges The phrase dark assemblages drawn from Deleuze and Guattari s A Thousand Plateaus gestures toward societal stagnation as a decisive factor in individual evolvement Gothic fiction represents an uneven landscape in that it tenders the possibility of a social critique yet equally well lends itself to the exclusion of specific identities and practices that society brands as anomalous Pedraza s Gothic fiction is indeed subversive in that it offers readers original perceptions of modern day people and the assemblages dark or otherwise to which they belong *The Unofficial Guide to Universal Orlando 2018* Seth Kubersky,2017-12-12 THE Comprehensive Guide to Universal Orlando The Unofficial Guide to Universal Orlando by Seth Kubersky is packed with detailed specific information on every ride show and restaurant in the resort including insider details on Harry Potter s Hogsmeade and Diagon Alley as well as the new waterpark Volcano Bay Compiled and written by a former Universal Orlando employee and based upon decades of research from a team whose work has been cited by such diverse sources as USA Today and Operations Research Forum The Unofficial Guide to Universal Orlando provides step by step detailed touring plans that allow you to make the most of every minute and dollar during your Universal Orlando vacation The guide includes info on where to find the cheapest Universal Orlando admission tickets how to save big on Universal on site hotel rooms and skip the regular lines in the parks when to visit Universal Orlando for the lightest crowds and everything else you need to know for a stress free Universal Orlando experience **The Mammoth Book of Best New Horror 23** Stephen Jones,2012-10-18 The year s best and darkest tales of terror showcasing the most outstanding new short stories by both contemporary masters of the macabre and exciting newcomers As ever this acclaimed anthology also offers a comprehensive overview of the year in horror a necrology of recently deceased luminaries and a list of indispensable addresses horror fans and writers The Mammoth Book of Best New Horror remains the world s leading annual anthology dedicated solely to presenting the best in contemporary horror fiction *2012 Guide to Literary Agents* Chuck Sambuchino,2011-08-09 The Best Resource Available for Finding a Literary Agent No matter what you re writing fiction or nonfiction books for kids or adults you need a literary agent to secure a book deal The 2012 Guide to Literary Agents is your essential resource for finding that literary agent without fear of being scammed and getting your book published This new updated edition of GLA includes Completely updated contact and submission information for literary agents who are looking for new clients Writing and submission advice from more than 40 top literary agents Informative articles on subjects such as writing a query letter composing a book proposal writing a novel synopsis attending a writers conference protecting your work and more Includes an exclusive 60 minute FREE WEBINAR with Chuck Sambuchino that will teach you Everything You Need to Know About Agents The Guide to Literary Agents contains a wealth of information and good advice and was crucial in my successful search for an agent I found a great agent and my book has now sold in 11 territories and counting Richard Harvell The Bells The Guide to Literary Agents was very useful to me when I was getting started I always recommend GLA to
