How To Watch Television Ethan Thompson,Jason Mittell,2013-09-16 Examines social and cultural phenomena through the lens of

different television shows We all have opinions about the television shows we watch but television criticism is about much more than simply evaluating the merits of a particular show and deeming it good or bad Rather criticism uses the close examination of a television program to explore that program s cultural significance creative strategies and its place in a broader social context How to Watch Television brings together forty original essays from today s leading scholars on television culture writing about the programs they care and think the most about Each essay focuses on a particular television show demonstrating one way to read the program and through it our media culture The essays model how to practice media criticism in accessible language providing critical insights through analysis suggesting a way of looking at TV that students and interested viewers might emulate The contributors discuss a wide range of television programs past and present covering many formats and genres spanning fiction and non fiction broadcast and cable providing a broad representation of the programs that are likely to be covered in a media studies course While the book primarily focuses on American television important programs with international origins and transnational circulation are also covered Addressing television series from the medium s earliest days to contemporary online transformations of television How to Watch Television is designed to engender classroom discussion among television critics of all backgrounds

How to Watch Television, Second Edition Ethan Thompson,Jason Mittell,2020-03-31 A new edition that brings the ways we watch and think about television up to the present We all have opinions about the television shows we watch but television criticism is about much more than simply evaluating the merits of a particular show and deeming it good or bad Rather criticism uses the close examination of a television program to explore that program s cultural significance creative strategies and its place in a broader social context How to Watch Television Second Edition brings together forty original essays more than half of which are new to this edition from today s leading scholars on television culture who write about the programs they care and think the most about Each essay focuses on a single television show demonstrating one way to read the program and through it our media culture From fashioning blackness in Empire to representation in Orange is the New Black and from the role of the reboot in Gilmore Girls to the function of changing political atmospheres in Roseanne these essays model how to practice media criticism in accessible language providing critical insights through analysis suggesting a way of looking at TV that students and interested viewers might emulate The contributors discuss a wide range of television programs past and present covering many formats and genres spanning fiction and non fiction broadcast streaming and cable Addressing shows from TV s earliest days to contemporary online transformations of the medium How to Watch Television Second Edition is designed to engender classroom discussion among television critics of all backgrounds To access additional essays from the first edition visit the links tab at nyupress org 9781479898817 how to watch television second edition
