## Black Cowboys

By: Teresa Palomo Acosta

### Black Cowboys

Black cowboys have been part of Texas

history since the early nineteenth century, when they first worked on ranches throughout the state. A good many of the first Black cowboys were born into slavery but later found a better life on the open range, where they experienced less open discrimination than in the city. After the Civil War many were employed as horsebreakers and for others task, but few of them became ranch foremen or managers. Some black cowboys took up careers as rodeo performers or were hired as federal peace officers in Indian Territory.
