Lily La Tigresse:

Lily la Tigresse Alona Kimhi, 2013-11-14 The hilarious second novel from actress and bestselling novelist Alona Kimhi holds up a comically warped mirror to contemporary Israel as well as the very notion of chick lit Inhabiting a dark fairy tale version of modern life drawing equal inspiration from Angela Carter and the iconography of the classic horror movie this is the story of Lily our proudly overweight and romantically unlucky protagonist who discovers a wild freedom in part through her friendship with a Russian prostitute Ninush This is a world of cellulite dissolving panties sex change as an outlet for self expression and the final triumph of the titular tigress where metamorphosis is the rule and where the waking world has become a funhouse prowled by our wildest desires , *La Royauté de la Bratva: duologie intégrale* Shanna Bell, 2023-06-19 Ce coffret contient *Le Roi de la Bratva* et *La Reine de la Bratva* l histoire de Kristoff Katya C est une duologie intégrale Katya Je vis dans un monde d hommes sans c ur leur t te Kristoff Romanov que certains qualifient de chef le plus impitoyable Je suis protégée dans ma cage dorée choyée tout en tant soigneusement maintenue distance Il a juré de me protéger et de me donner tout ce dont j avais besoin l exception de son c ur Il m a promis de toujours me soutenir Il a menti Kristoff D truiriez vous la femme que vous aimez pour venger celle que vous avez perdue Je vis pour la Bratva et pour ma vengeance Katya est le seul point positif dans ma vie Pourtant je vais l an anti- **Multiculturalism in Israel** Adia

Mendelson-Maoz, 2015-03-15 By analyzing its position within the struggles for recognition and reception of different national and ethnic cultural groups this book offers a bold new picture of Israeli literature Through comparative discussion of the literatures of Palestinian citizens of Israel of Mizrahim of migrants from the former Soviet Union and of Ethiopian Israelis the author demonstrates an unexpected richness and diversity in the Israeli literary scene a reality very different from the monocultural image that Zionism aspired to create Drawing on a wide body of social and literary theory Mendelson Maoz compares and contrasts the literatures of the four communities she profiles In her discussion of the literature of the Palestinian citizens of Israel she presents the question of language and translation and she provides three case studies of particular authors and their reception Her study of Mizrahi literature adopts a chronological approach starting in the 1950s and proceeding toward contemporary Mizrahi writing while discussing questions of authenticity and self determination The discussion of Israeli literature written by immigrants from the former Soviet Union focuses both on authors who write Israeli literature in Russian and of Russian immigrants writing in Hebrew The final section of the book provides a valuable new discussion of the work of Ethiopian Israeli writers a group whose contributions have seldom been previously acknowledged The picture that emerges from this groundbreaking book replaces the traditional homogeneous historical narrative of Israeli literature with a diversity of voices a multiplicity of origins and a wide range of different perspectives In doing so it will provoke researchers in a wide range of cultural fields to look at the rich traditions that underlie it in new and fresh ways

Netanya Dror Burstein, 2013-11-14 The plot of Dror Burstein s dazzling meditation consists of nothing more than the

author s lying on a bench looking up at the night sky What results from this simple action is however a monologue whose scope is both personal and cosmic with Burstein s thoughts ricocheting between stories from his past and visions of the origin and end of the universe The result is a fascinating blend of reminiscence fiction and amateur science seeking to convey not only a personal story but the big picture in which the saga of life on Earth and of the stars that surround it have the same status as anecdotes about one s aunts and uncles With a tip of the hat to W G Sebald and Yoel Hoffmann Netanya seeks to transform human history into an intimate family story and demonstrates how the mind at play can bring a little warmth into a cold universe

A Sound So Very Loud Ted Kessler,2025-08-19 The first definitive history of the iconic band Oasis as told through their music and using their songs as the starting point A Sound So Very Loud is the first book to offer a definitive history of Oasis as narrated through their music using their songs as the foundation but breaking out more widely to include sections of background and cultural context It s written by leading music journalists Ted Kessler and Hamish MacBain who have very close ties to the band and their management and have interviewed the Gallaghers dozens of times There has never been a definitive forensically detailed history of Oasis and their music a book that takes readers to the heart of the band s work and what lay behind it in the kind of deeply researched knowledgeable detail that has been afforded The Beatles perhaps most notably with Ian MacDonald s *Revolution In the Head* which examined every Beatles song in chronological detail MacBain and Kessler s intention is to write the book that satisfies the many millions of fans globally similarly obsessed with Oasis s music but who currently only have scattered social media pages to turn to add depth to the story These authors deliver the definitive chronological history of the songs of Oasis that will appeal to fans old and new in doing so bringing the wider Oasis story into play in glorious color The pair have interviewed both Gallaghers dozens of times between 1994 and 2024 and no other journalists can claim more or more lively encounters with Liam and Noel The book will also revisit each interview in the first person chronologically throughout to add unique perspective and texture to the wider story MacBain and Kessle will also dissect sleeve art with the designers and photographers delving into each detail surrounding the band This is a veritable Oasis treasure trove

*Au cœur des chefs-d'œuvre de Disney* Damien Duvot, 2020-11-19 De 1937 à 1999 les films d'animations de Disney connaissent un second souffle grâce aux artistes talentueux

Depuis le décès de Walt Disney en 1966 jusqu'en 1984, l'aura des studios Disney s'est ternie. Les films d'animation de qualité n'ont plus le succès qu'ils avaient autrefois. À partir de 1984, pourtant, la roue commence à tourner. De nouvelles voix s'élèvent de l'intérieur du studio, des artistes talentueux se révoltent. Au cœur des chefs-d'œuvre de Disney, Le Second Âge d'Or (1984-1995) est une plongée en immersion dans les coulisses de cette époque charnière qui conduit à la création de certains des plus célèbres films d'animation Disney, de La Petite Sirène au Roi Lion, en passant par Aladdin. Des aventures humaines palpitantes, des récits foisonnant des coups de génie, la création des films Disney comme vous ne l'avez jamais imaginée. Les passionnés des films d'animation Disney seront enchantés par ce documentaire.
