Babies Lisa van de Geyn, You've taken the pregnancy tests made the big announcement and you've probably caught a glimpse of your baby on a sonogram Congratulations You've got a bundle of joy on the way and the one thing you're probably not prepared for is the bundle of money it's going to cost to raise that little one In *Babies How to Afford Your Bundle of Joy* writer Lisa van de Geyn leans on financial experts to help parents save a few dollars and get the most bang for their bucks before and after their new additions arrive While there doesn't seem to be one specific amount of money experts agree on raising kids costs a pretty penny The good news is that there are trade offs expectant and new parents can make to their lifestyles to make having a baby and the price tag attached to it more manageable This guide will ensure you're well versed in everything from the benefits of setting up a registered education savings plan and what maternity and parental leave means when it's tax time to the payments you're entitled to from the government after you deliver your baby and advice on getting on employment insurance We'll walk you through budgeting and offer plenty of tips and tricks from parents like you who are so wrapped up in the sheer excitement of pregnancy they forget to research what a baby will mean to their bank accounts

Tiny steps, Big Achievements PATRICK CLERMONT, 2024-07-01 When I reached the age of thirty two my thoughts began to gravitate towards the future and my retirement I set out to unravel the mystery of retirement planning approaching it as I would any other puzzle by starting at the end and tracing my steps back to the present As I navigated this journey I began to appreciate the profound impact of tiny steps I saw how their ripple effects brought about significant transformations in my current life and laid the groundwork for my future Along the way I discovered the code to my life's motivators I call them Money Toys and Time it turns out that I valued autonomy more than material wealth and possessions I came to understand that time was indeed my most valuable motivator and therefore my most precious asset This is my journey and the steps I took to retire by the time I was Fifty Two I hope it helps you in some small way

Cash Cows, Pigs and Jackpots David Trahair, 2012-09-19 A contrarian and controversial look at personal finance and a super simple strategy for making and keeping more money Traditional financial wisdom persuades us to grow our net worth and build our assets But traditional financial wisdom is often wrong In *Cash Cows Pigs and Jackpots The Simplest Personal Finance Strategy You'll Ever See* author and Chartered Accountant David Trahair challenges everything we think we know about managing our money suggesting that that we follow the lead of the financial institutions that are leading us down the path to financial ruin The banks brokers and investment companies of the world make enormous sums of money because they know that cash is king and they know how to guarantee cash flow from their clients on a continual basis They aren't making the bulk of their money from investing in the stock market they're leeching it from regular people like you every minute of every day *Cash Cows Pigs and Jackpots* turns the tables showing that the biggest cash cow we have is ourselves Instead of chasing a dream that will never come true it presents a financial plan so simple even a 10 year old could

understand it Explains why the common consensus about making money is inherently flawed Presents an incredibly simple easy to follow plan for really making and saving money Exposes the dangers of trusting money to a bank or broker Helping you break asset addiction get out of debt and increase your personal cash flow and your wealth with it Cash Cows Pigs and Jackpots explains how bringing more cash into your life and watching carefully where it goes will allow you to save more live the life you want and avoid as much risk as possible a great strategy going into the stormy financial years to come
