**Lines from Life** Peter Overduin, 2012-01-05 *Lines from Life* presents a sensitive and touching collection of thoughts dreams and wishes by poet Peter Overduin He offers a realistic view of life's disappointments and failures hoping to provide companionship and sympathy to those on journeys like his own both in times where there is only darkness and in those that hold a sweeter melancholy and even hope From lost love to hopes and dreams he delves into the emotional ups and downs of his everyday life His poignant reflections upon songs from the soul love lost or found and friendship speak to those facing struggles and gives voice to emotions shared across the face of humanity Dreams I have dreamed so many dreams it always seemed I would wake up to a nightmare When you came into my life my dreams became reality I found the sunrise of my soul in you All my visions for the future all my visions they are you The many dreams that I have dreamed dreams I thought would never come true I see them come true in you

**The Lines We Draw** Tim Franks, 2025-07-03 A moving journey through a Jewish family history from BBC Newshour presenter Tim Franks Tim Franks spent years as the BBC's Middle East Correspondent covering Israel and the occupied Palestinian territories During that time he was attacked as a self-hating Jew and as an Islamophobe as a tool of competing malign agendas He always tried to respond with a journalist's detached curiosity drawing a clear line between his identity and his work Up to the point that he asked himself is that necessary Beyond the judgments of others what does it mean to be Jewish It was a question he struggled to answer As a child in 1970s Birmingham Tim was a practising Jew with hardly any relations or sense of lineage And so he embarked on a search for his ancestral roots from Constantinople to Curaçao from Amsterdam to the death camps from Lithuania to Downing Street Framing each part of his journey through what he has learned as a journalist Tim discovers ancestors who all speak to a part of the Jewish story there are the refugees and the risk-takers the artists rabbis soldiers and revolutionaries there is even a route to the Conservative Party's unlikely leader Benjamin Disraeli This book is a deeply empathetic memoir which encourages us all to confront the lines we draw In searching for what it is to be Jewish Tim discovers what it means to take a stand and write about the world
