**Best Before** James Newman, 2012-08-21 Despite record sales and an ever-growing global industry, the simple fact is that videogames are disappearing. Most obviously, the physical deterioration of discs, cartridges, consoles, and controllers means that the data and devices will crumble to dust and eventually will be lost forever. However, there is more to the disappearance of videogames than plastic corrosion and bit rot. *Best Before* examines how the videogames industry's retail, publishing, technology, design, advertising, and marketing practices actively produce obsolescence, wearing out and retiring old games to make way for the always new, just out of reach, coming soon title and next generation platform. Set against the context of material deterioration and the discursive production of obsolescence, *Best Before* examines the conceptual and practical challenges faced within the nascent field of game preservation. Understanding videogames as rich, complex, and mutable texts and experiences that are supported and sustained by cultures of gameplay and fandom, *Best Before* considers how and even whether we might preserve and present games for future generations.

He'll eventually leave if you survive for long enough so keep that in mind if there are no Shines nearby. Also worth noting is that certain boxes can only be opened by Fury Bowser. Stand near them and once he uses his flame breath they'll be destroyed. These boxes can contain Shines so worth the effort of trying to stay alive. Upon gathering a certain number of Cat Shines the Giga Cat Bells become available. Use these to turn into Giga Cat Mario and take on Fury Bowser. Just keep in mind that taking a hit will transform you back to regular Mario. You're still giant sized so Bowser can still be beaten at least in the early going but gathering another Giga Cat suit is as easy as going back to the Giga Cat Bell again. Finally you won't be able to collect all of the Cat Shines before the final encounter with Fury Bowser. When the last fight is wrapped up return to Lake Lapcat and speak to Bowser Jr. He'll clue you in on the remaining Shines and their locations. This guide includes info on how the mode works, how to navigate Lake Lapcat, obtain all the Cat Shines, and defeat Fury Bowser himself with the help of Bowser Jr. In Bowser's Fury you will be able to take control of Mario in a 1-2 player adventure quite unlike Super Mario 3D World's gameplay.
