Portable Generator Owner's Manual

-  **Danger:** This generator is designed for outdoor use only. Do not use this generator inside any building or enclosure including the generator compartment of a recreational vehicle (RV). Fire or an explosion may result. No user performed modifications, including venting of exhaust and/or cooling ventilation, will eliminate the danger. Also, allow at least two feet of clearance on all sides of the generator even while operating the unit outdoors.
-  **Dangers:** If this unit is used for backup power in the event of a utility power failure, the following step must be taken: Before connecting the generator to an electrical system, open the main circuit breaker or main switch serving the system, to isolate the generator system from the electric utility. Failure to isolate the generator and utility systems may result in damage to the generator and may also result in injury or death to electric utility workers, due to a backfeed of electrical energy.

The Emission Control System for this generator is warranted for standards set by the Environmental Protection Agency.

Model No. 9801-1 (10000 Watt AC Generator) Manual No. 96023 Revision 3 (7/30/98)

-  This symbol points out important safety instructions, which, if not followed, could endanger the personal safety and/or property of yourself and others. Read and follow all instructions in the manual before attempting to operate this unit.
