heroes layered plots and dangerous liaisons then you'll adore Michele Venn's pulse pounding tale Witboy in Berlin Deon Maas, 2019-02-15 When opportunity strikes television producer Deon Maas joins the boatloads of migrants heading for Germany. Faced with the choice of taking all his possessions along or selling everything he opts for the latter. With a duffel bag and his four dogs he departs for the First World. Decadent Berlin blows his mind but also leaves him at a loss for words. As he criss crosses the city scratching at its pulsating underbelly he marvels at German idiosyncrasies and is roped into this new world by an array of vegan anarchists, eclectic musicians, football hooligans and graffiti artists. As he tries to settle in he has to deal with everything from obnoxious bureaucrats to nosy neighbours. In the process Maas debunks a few myths about the First World: it's not a perfect place where everything works and German efficiency is definitely overrated. By confronting the loss of his support network and adapting to a different political and social context he learns exactly how deep his African roots go and what it takes to find your place in Europe as a white African. A Need for Charlie Christian Koegel, 2011 Charlie Coldbrick's not so triumphant return to work is marred by a new rig, a new boss and a revamped lot on life. Join him in a time honored American odyssey where he seeks peace, understanding and the fulfillment of his ultimate need. As with most journeys Charlie's is saddled with surprise, regret, reflection, contempt and the settlement of old scores. As he embarks on his uncertain path will he gain his new found, coveted insight on humanity? Or will he fall into his old familiar traps? Two things are for certain: no voyage ever plays out as the explorer intended and no vacation goes unpunished. 365 Guide New York City: Drink. Eat. \$ave. Every Day of the Year.
