

Sample Welcome Letter to Parents For Back-To-School

Dear Parents,

On behalf of the staff at XXXXXX School, I am happy to welcome you to the 2013-14 school year! We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. We know a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities. We ask that you guide and support your child's learning by ensuring that he/she:

- 1) Attends school daily and arrives on time, ready for the day's learning experience
- 2) Completes all homework assignments given by teachers
- 3) Reads daily to develop a love for reading and to improve literacy skills
- 4) Shares school experiences with you so that you are aware of his/her school life
- 5) Informs you if he/she needs additional support in any area or subject
- 6) Knows that you expect him/her to succeed in school and go on to college

Please consider joining our school volunteer program as our students can greatly benefit from your involvement and contributions to the school's program and its operations. We seek volunteers to help us with the following activities:

- 1) Teacher-led instructional support, usually in the classroom
- 2) Reading with children who need extra help
- 3) School-wide events
- 4) Student recognition events
- 5) Outreach and recruitment of parent and community volunteers

I am attaching a copy of our school rules so that you and your child can review them together. If you have any questions about the rules and expectations, please feel free to contact me or to discuss them with your child's teacher. It is very important that you and your child are fully informed regarding standards related to appropriate behavior for a safe and productive school year. Please feel free to review the LAUSD Parent Handbook which can be accessed XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX.

The wonderful XXXXXX staff and I feel privileged to be a part of this school family. We thank you for your support and look forward to meeting you.

Sincerely,

How to Handle Staff Misconduct C. Edward Lawrence, Myra K. Vachon, 2003-01-06 Updated Edition of Bestseller

How to Handle Staff Misconduct has simplified the process with its step by step format and has removed a lot of the emotions that have previously gone into addressing staff misconduct issues. I've had occasions to put the steps into play and have found them to be logical and straightforward.

Anne Hutcheson, Director of Special Education and Pupil Personnel, Bellefonte Area School District, Pennsylvania

Lawrence and Vachon did an outstanding job of writing guidelines that deal with the core aspects of supervision and documentation without becoming embroiled in state law issues and differences. I wish that I had this book as a guideline when I became a principal. I would have used it to train new hires on my administrative team.

Mary A. King, Director of High School Services, Texas Association of Secondary School Principals

What administrators must know about staff misbehavior and the steps to correct it. Ever-changing laws regarding sexual harassment, teacher accountability, and safety in the workplace combined with increasingly complex union contracts have made the handling of staff misconduct a veritable minefield for novice and experienced administrators alike. Fortunately, this expanded and updated second edition of an indispensable resource will clarify all of the steps principals must take to ensure that their schools are run according to the policies and laws that govern them.

In clearly delineated sections, **How to Handle Staff Misconduct, Second Edition** offers strategies that include managing excessive tardiness, insubordination, misconduct requiring suspension, and even criminal behaviors. Each section includes an outline of principal responsibilities and common errors that can interfere with a successful intervention. In addition, the authors demonstrate how to use progressive discipline to fairly correct unwanted behaviors, how to set up a school level misconduct meeting, why just cause is a key defense against legal backlash, how due process can avoid technical errors during a disciplinary action, why privacy is paramount, and covering everything from the first day of school to the first sign of an infraction, this book guides administrators through all phases of investigation and documentation and remains an essential resource for any principal or supervisor trying to keep students and staff focused on education.

Teaching and Learning in the New Latino Diaspora Edmund T. Hamann, Socorro G. Herrera, Enrique G. Murillo, Stanton Wortham, 2024-11-22

This volume does more than document an educational dynamic that impacts Latino populations across the United States; it also connects educational challenges to concrete plans for how those problems can be resolved. Both experienced and new scholars describe strategies and outline policies to support academic success, affirm identity and belonging, and show how educational institutions can be transformed to better serve Latino constituencies in a post-pandemic world where insistent efforts at right of belonging and affirmation counter Trumpian xenophobia and hostility.

Examples from elementary education to higher education supply familiar points of entry but also challenge readers to explore scenarios and strategies that they have not previously considered Each chapter begins with empirical documentation of an educational problem involving Latino populations where their presence is relatively new mainly post IRCA and goes on to outline how that problem can be resolved The text includes depictions of how youth participatory action research can diversify teacher education recruitment what authentically welcoming college campuses might look like how high school literature classes could include more Latino authors and much more Book Features Includes detailed examples of practice to assist teachers and school leaders in restructuring their classrooms and programs to better serve Latino students Describes settings and scenarios from across the United States that will be familiar to those teaching leading or preparing to do so Focuses on the new diaspora as distinct from states with traditionally large Latino populations Argues that lagging educational outcomes are far from inevitable and that inclusion engagement and success are possible and worth striving for
