

## Valedictory speech

### "WE ARE DESTINED FOR GREATNESS"

Chief Guest, The Chancellor, Vice Chancellor, Deputy Vice-Chancellors Principals of Colleges, Deans, Directors, our beloved teachers, parents my colleague graduands and all protocols observed; Distinguished Guest, Ladies and Gentlemen. Good morning!

I am humbled to address such a wonderful gathering here today – all under the umbrella of cherishing success. History brings us here through a long winding trip that can only be defined by the faithful as a miracle. It is a miracle to those of us who only witnessed others rewarded but never thought about the dawn of our day. Now it is our turn. Our turn to take those powers to read and do all that appertains to the degree.

On behalf of my colleague graduands, I hereby extend our sincere gratitude and appreciation to all of you who gave us this opportunity. You have proved to us that indeed hard work pays.

To our parents, thank you for understanding that the only inheritance you could dedicate to us was this education. We promised never to let you down and today you can attest to this. We did that and we have successfully completed our task. To God be all the glory.

CO PUBLISHED BY ROUTLEDGE AND THE NATIONAL COUNCIL OF TEACHERS OF ENGLISH Grammar to Get Things Done offers a fresh lens on grammar and grammar instruction designed for middle and secondary pre service and in service English teachers It shows how form function and use can help teachers move away from decontextualized grammar instruction such as worksheets and exercises emphasizing rule following and memorizing conventional definitions and begin considering grammar in applied contexts of everyday use Modules organized by units succinctly explain common grammatical concepts These modules help English teachers gain confidence in their own understanding while positioning grammar instruction as an opportunity to discuss analyze and produce language for real purposes in the world An important feature of the text is attention to both the history of and current attitudes about grammar through a sociocultural lens with ideas for teachers to bring discussions of language as power into their own classrooms

*Bird Uncaged* Marlon Peterson, 2021-04-13 From a leading prison abolitionist a moving memoir about coming of age in Brooklyn and surviving incarceration and a call to break free from all the cages that confine us Marlon Peterson grew up in 1980s Crown Heights

raised by Trinidadian immigrants Amid the routine violence that shaped his neighborhood Marlon became a high achieving and devout child the specter of the American dream opening up before him But in the aftermath of immense trauma he participated in a robbery that resulted in two murders At nineteen Peterson was charged and later convicted He served ten long years in prison While incarcerated Peterson immersed himself in anti violence activism education and prison abolition work In *Bird Uncaged* Peterson challenges the typical redemption narrative and our assumptions about justice With vulnerability and insight he uncovers the many cages from the daily violence and trauma of poverty to policing to enforced masculinity and the brutality of incarceration created and maintained by American society *Bird Uncaged* is a twenty first century abolitionist memoir and a powerful debut that demands a shift from punishment to healing an end to prisons and a new vision of justice

**Cheating on Tests** Gregory J. Cizek,1999-07 This volume offers a comprehensive look at the pervasive weighty problem of cheating on tests It will appeal to all serious stakeholders in our educational system from parents school board members to professionals in schools the testing industry

Once Upon a Time There Was a Three-Year-Old Grandpa David Janzen,2024-07-18 This eccentric title recalls a collection of tales first told to grandchildren at bedtime Each chapter begins with a fun to read farmer boy story from the 1940s an era before industrial farming when horses cows and chickens were still members of the family These anecdotes each launch a theme that splashes down with further development in later decades of life Diverse topics include imaginative play construction crew humor animal intelligence contemplative prayer and journal writing rural and urban farming communal wisdom and affordable housing along with a few serious pranks and the prophetic mischief that follows This memoir is also a confession in the pattern of Augustine reflecting on God s in breaking initiatives and the writer s emerging sense of calling in lifelong conversation with Jesus Its stories offer a series of curiosity driven on ramps into eight decades of transformative experiences for curious souls to ponder an open eyed faith and a communal way of life for the long haul

*The Role of the Speech-Language Pathologist in RtI* Wayne A. Foster,2018-01-08 *The Role of the Speech Language Pathologist in RtI Implementing Multiple Tiers of Student Support* is an innovative resource for school based speech language pathologists SLPs The author examines the current interaction among special and general educators and identifies how SLPs best fit into a multitiered response to instruction process This collaboration requires school staff share the same vision on the operation of the system understand their respective roles and merge the curricular with the developmental perspective to build basic skills in support of student performance growth General educators have traditionally utilized the language of curriculum e g standards pacing guides formative and summative assessments to talk about student goals and achievement Special educators including SLPs most often utilize the language of development e g norms percentile ranks development milestones to measure student growth *The Role of the Speech Language Pathologist in RtI* assesses this apparent clash in nomenclature and identifies new ways for collaboration and cooperation among faculty and administration In order for the SLP to be an effective partner in the

development and implementation of RtI the author proposes that SLPs should understand the language of general education be able to translate the curricular needs of students into skill based units that can be measured and progress monitored have full understanding of the developmental progression of skills and how that progression links to curriculum standards and be knowledgeable on evidence based practices that can have a meaningful impact on closing developmental gaps and result in higher achievement outcomes This text provides the blueprint for the implementation of a system of student support that was envisioned in the 2004 reauthorization of the Individuals with Disabilities Education Improvement Act IDEIA Unlike other books on RtI this essential resource addresses the very specific roles that different school level professionals must play to make the system effective No other text provides SLPs with such a comprehensive schoolwide perspective on the different roles in the process the different languages used by the professionals in those roles and how to navigate those different perspectives

**Building More Effective Unions** Paul F. Clark, 2013-09-02 Paul F Clark believes union leaders should take advantage of the valuable discoveries made in behavioral science to make their organizations more effective and in Building More Effective Unions he offers an accessible and straightforward account of how they can do so The second edition provides an updated discussion of important lessons behavioral science holds for labor organizations It also provides new examples of how unions and their leaders have benefited from putting the principles outlined in the first edition into practice

**A Hoop Fable** Harvey A. Kaplan, 2022-05-26 Larry's parents had never seen him so preoccupied and possessed For hours each day he'd play basketball and after he finished playing he'd spend hours reading various basketball books Posters of players were plastered all over his room We need to get some handle on this his mother told her husband Dave While he wasn't as concerned he agreed he would talk to the school psychologist That meeting however did not resolve much and Dave was left wondering if maybe he was the one with a problem He had never gotten passionately involved in sports Maybe he was just envious of his son Maybe he had been too passive as a child and should have had stronger interests He remembered that he was on the debating team but never possessed the drive to win over the other team Okay he thought to himself you'd better tolerate your son's intensity and be patient and see where it leads A Hoop Fable reveals how basketball provided Larry with a passion for life and gave him a foundation to move toward a successful career and the lessons the game provided his family along the way
